

**1,1,1,3-Tetrafluorobutane** Safety Data Sheet 1100379 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 02/18/2016 Version: 1.0

| SECTION 1: Identification   |  |
|---|--|
| 1.1. Identification   |  |
| Product form  | : Substance  |
| Substance name  | : 1,1,1,3-Tetrafluorobutane  |
| CAS No  | : 86884-13-1   |
| Product code  | : 1100-3-79  |
| Formula   | : C4H6F4   |
| Other means of identification   | : MFCD07777212   |
|   |  |
|   | substance or mixture and uses advised against  |
| Use of the substance/mixture  | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development   |
| 1.3. Details of the supplier of the saf   | ety data sheet   |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of Americ<br>T (386) 462-0788 - F (386) 462-7097<br>info@synquestlabs.com - www.synquestlabs |  |
| 1.4. Emergency telephone number   |  |
| Emergency number  | : (844) 523-4086 (3E Company - Account 10069)  |
| SECTION 2: Hazard(s) identificati   | on   |
| 2.1. Classification of the substance of   | or mixture   |
| Classification (GHS-US)   |  |
| STOT SE 3 H335 - May cause respirator   | v irritation   |
| Full text of H-phrases: see section 16 2.2. Label elements  |  |
| Full text of H-phrases: see section 16  |  |
| Full text of H-phrases: see section 16         2.2.       Label elements  |  |
| Full text of H-phrases: see section 16         2.2.       Label elements         GHS-US labeling  |  |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| SECTION 6: Accidental release meas                                       | ures  |  |  |  |
|--|---|--|--|--|
| 6.1. Personal precautions, protective equipment and emergency procedures |   |  |  |  |
| General measures   | : Evacuate unnecessary personnel. Ensure adequate air ventilation. Do not breathe gas, fumes, vapor or spray.   |  |  |  |
| 6.1.1. For non-emergency personnel                                       |   |  |  |  |
| Emergency procedures   | : Only qualified personnel equipped with suitable protective equipment may intervene.   |  |  |  |
| 6.1.2. For emergency responders  |   |  |  |  |
| Protective equipment   | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".   |  |  |  |
| Emergency procedures   | : Gas/vapor heavier than air. May accumulate in confined spaces, particularly at or below ground level. Consider the risk of potentially explosive atmospheres. Eliminate every possible source of ignition.  |  |  |  |
| 6.2. Environmental precautions   |   |  |  |  |
| Avoid release to the environment. Notify authoritie                      | es if product enters sewers or public waters.   |  |  |  |
| 6.3. Methods and material for containment                                | nt and cleaning up  |  |  |  |
| For containment  | : Stop leak if safe to do so. Dike for recovery or absorb with appropriate material.  |  |  |  |
| Methods for cleaning up  | : Take up large spills with pump or vacuum and finish with dry chemical absorbent. Use explosion-proof equipment. Take up small spills with dry chemical absorbent. Sweep or shovel spills into appropriate container for disposal. Ventilate area.   |  |  |  |
| Other information  | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".  |  |  |  |
| 6.4. Reference to other sections   |   |  |  |  |
| No additional information available                                      |   |  |  |  |
| SECTION 7: Handling and storage  |   |  |  |  |
| 7.1. Precautions for safe handling                                       |   |  |  |  |
| Additional hazards when processed  | : Handle empty containers with care because residual vapors are flammable.  |  |  |  |
| Precautions for safe handling  | : Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe fumes, mist, spray, vapors. Wear personal protective equipment. Avoid contact with skin and eyes. Keep away from ignition sources (including static discharges). Proper grounding procedures to avoid static electricity should be followed. Use only non-sparking tools. |  |  |  |
| Hygiene measures   | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.  |  |  |  |
| 7.2. Conditions for safe storage, including any incompatibilities        |   |  |  |  |
| Technical measures   | : Comply with applicable regulations.   |  |  |  |
| Storage conditions   | : Keep container closed when not in use. Keep away from ignition sources.   |  |  |  |
| Incompatible materials   | : Refer to Section 10 on Incompatible Materials.  |  |  |  |
| Storage area   | : Store in dry, cool, well-ventilated area.   |  |  |  |

### SECTION 8: Exposure controls/personal protection

8.1. **Control parameters** 

No additional information available

| 8.2. Exposure controls           |   |
|----------------------------------|---|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.  |
| Skin and body protection         | : Wear suitable protective clothing.  |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.  |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.   |
|                                  |   |

| SECTION 10: Stability and reactivity                    | ty   |
| 10.1. Reactivity  |  |
| No additional information available                     |  |

No additional information available

#### 10.2. **Chemical stability**

The product is stable at normal handling and storage conditions.

#### 10.3. Possibility of hazardous reactions

No additional information available

### **Conditions to avoid** Keep away from heat, sparks and flame.

10.5. **Incompatible materials** 

Strong oxidizing agents.

10.4.

#### Hazardous decomposition products 10.6.

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

| SECTION 11: Toxicological informat         | ion                              |
|--|----------------------------------|
| 11.1. Information on toxicological effects |                                  |
|  |                                  |
| Acute toxicity                             | : Not classified                 |
| Skin corrosion/irritation                  | : Causes skin irritation.        |
| Serious eye damage/irritation              | : Causes serious eye irritation. |
| Respiratory or skin sensitization          | : Not classified                 |

### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Germ cell mutagenicity                             | : Not classified                    |
|--|-------------------------------------|
| Carcinogenicity                                    | : Not classified                    |
| Reproductive toxicity                              | : Not classified                    |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation. |
| Specific target organ toxicity (repeated exposure) | : Not classified                    |
| Aspiration hazard                                  | : Not classified                    |
