

Safety Data Sheet 2122223 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 09/09/2019 Version: 1.0

| SECTION 1: Identification   |   |
|---|---|
| 1.1. Identification   |   |
| Product form  | : Substance   |
| Substance name  | : Potassium pentafluoropropionate   |
| CAS No  | : 378-76-7  |
| Product code  | : 2122-2-23   |
| ormula  | : C3F5KO2   |
| ynonyms   | : Potassium pentafluoropropionate / Propanoic acid, 2,2,3,3,3-pentafluoro-, potassium salt (1:1)  |
| ther means of identification  | : MFCD16620584  |
| .2. Relevant identified uses of the s   | substance or mixture and uses advised against   |
| Jse of the substance/mixture  | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development  |
| .3. Details of the supplier of the saf  | fety data sheet   |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of Americ<br>F (386) 462-0788 - F (386) 462-7097<br>nfo@synquestlabs.com - <u>www.synquestlabs</u>   |   |
| .4. Emergency telephone number  |   |
| mergency number   | : (844) 523-4086 (3E Company - Account 10069)   |
| Skin Irrit. 2H315 - Causes skin irritationEye Irrit. 2AH319 - Causes serious eye iSTOT SE 3H335 - May cause respirator  | irritation  |
| Eye Irrit. 2A H319 - Causes serious eye i   | irritation  |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 2.3. Other hazards   |  |                  |                        |   |
|--|--|------------------|------------------------|---|
| No additional information available  |  |                  |                        |   |
| 2.4. Unknown acute toxicity (GHS US) Not applicable  |  |                  |                        |   |
|  |  |                  |                        |   |
| SECTION 3: Composition/information of  | on ingredients   |                  |                        |   |
| 3.1. Substance   |  |                  |                        |   |
| Substance type :   | Mono-constituent   |                  |                        |   |
| Name   | Product identifier   |                  | %                      | Classification (GHS-US)                                       |
| Potassium pentafluoropropionate<br>(Main constituent)  | (CAS No) 378-76-7  |                  | <= 100                 | Skin Irrit. 2, H315<br>Eye Irrit. 2A, H319<br>STOT SE 3, H335 |
| Full text of H-phrases: see section 16   |  |                  |                        |   |
| 3.2. Mixture   |  |                  |                        |   |
| Not applicable   |  |                  |                        |   |
| SECTION 4: First aid measures  |  |                  |                        |   |
| 4.1. Description of first aid measures   |  |                  |                        |   |
| First-aid measures general :   | In case of accident or if you f where possible). Move the af   |                  |                        |   |
| First-aid measures after inhalation :  | Remove person to fresh air a respiration. Get medical advi   |                  | able for breathin      | g. If not breathing, give artificial                          |
| First-aid measures after skin contact :  | Wash with plenty of soap and   | d water. Get med | ical advice/atten      | ntion.  |
| First-aid measures after eye contact :   | Immediately flush eyes thoro<br>present and easy to do. Cont   |                  |                        | ninutes. Remove contact lenses, if<br>attention.              |
| First-aid measures after ingestion :   | Do NOT induce vomiting. Ne mouth out with water. Get me  |                  |                        | unconscious person. Rinse                                     |
| 4.2. Most important symptoms and effects,  | both acute and delayed   |                  |                        |   |
| Symptoms/injuries :  | : The most important known symptoms and effects are described in the labelling (see section 2.2) and/or in section 11.   |                  |                        |   |
| 4.3. Indication of any immediate medical at  | ention and special treatme   | nt needed        |                        |   |
| Treat symptomatically.   |  |                  |                        |   |
| SECTION 5: Firefighting measures   |  |                  |                        |   |
| 5.1. Extinguishing media   |  |                  |                        |   |
| Suitable extinguishing media :   | Alcohol resistant foam. Carbo<br>appropriate for surrounding f   |                  | owder. Water sp        | oray. Use extinguishing media                                 |
| 5.2. Special hazards arising from the substa   | ince or mixture  |                  |                        |   |
| Fire hazard :  | : Thermal decomposition generates: Carbon oxides. Hydrogen fluoride. Potassium oxides.   |                  |                        |   |
| 5.3. Advice for firefighters   |  |                  |                        |   |
| Firefighting instructions :  | In case of fire: Evacuate area   | a.               |                        |   |
| Protection during firefighting :   | : Wear gas tight chemically protective clothing in combination with self contained breathing apparatus. For further information refer to section 8: "Exposure controls/personal protection".           |                  |                        |   |
| SECTION 6: Accidental release measures   |  |                  |                        |   |
| 6.1. Personal precautions, protective equipment and emergency procedures                                   |  |                  |                        |   |
|  | : Evacuate unnecessary personnel. Ensure adequate air ventilation. Do not breathe dust.  |                  |                        |   |
| 6.1.1. For non-emergency personnel   |  |                  |                        |   |
| Emergency procedures : Only qualified personnel equipped with suitable protective equipment may intervene. |  |                  | uipment may intervene. |   |
| 6.1.2.         For emergency responders           Protective equipment         :                           | <ul> <li>ency responders</li> <li>Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".</li> </ul> |                  |                        |   |
| 6.2. Environmental precautions   |  |                  |                        |   |
|  |  |                  |                        |   |

Avoid release to the environment. Notify authorities if product enters sewers or public waters.

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.3. Methods and material for<br>For containment |   |  |  |  |  |
|--|---|--|--|--|--|
| Methods for cleaning up                          | <ul> <li>Stop leak if safe to do so.</li> <li>Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.</li> </ul> |  |  |  |  |
| Other information                                | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".  |  |  |  |  |
| 6.4. Reference to other section                  | ns  |  |  |  |  |
| No additional information available              |   |  |  |  |  |

| SECTION 7: Handling and storage  |  |  |  |  |
|--|--|--|--|--|
|  |  |  |  |  |
| : Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective equipment. Avoid contact with skin and eyes. |  |  |  |  |
| : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.   |  |  |  |  |
| ig any incompatibilities   |  |  |  |  |
| : Comply with applicable regulations.  |  |  |  |  |
| : Keep container closed when not in use.   |  |  |  |  |
| : Refer to Section 10 on Incompatible Materials.   |  |  |  |  |
| : Store in dry, cool, well-ventilated area.  |  |  |  |  |
|  |  |  |  |  |

### **SECTION 8: Exposure controls/personal protection**

#### 8.1. **Control parameters**

### No additional information available

| 8.2. Exposure controls           |   |
|----------------------------------|---|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.  |
| Skin and body protection         | : Wear suitable protective clothing.  |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.  |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.   |

## **SECTION 9: Physical and chemical properties**

| 9.1.    | Information on basic physical a       | nd chemical properties |
|---------|---------------------------------------|------------------------|
| Physic  | cal state                             | : Solid                |
| Color   |                                       | : No data available    |
| Odor    |                                       | : No data available    |
| Odor t  | threshold                             | : No data available    |
| pН      |                                       | : No data available    |
| Meltin  | ig point                              | : No data available    |
| Freez   | ing point                             | : No data available    |
| Boiling | g point                               | : No data available    |
| Flash   | point                                 | : No data available    |
| Relativ | ve evaporation rate (butyl acetate=1) | : No data available    |
| Flamn   | nability (solid, gas)                 | : No data available    |
| Explos  | sion limits                           | : No data available    |
| Explos  | sive properties                       | : No data available    |
| Oxidiz  | zing properties                       | : No data available    |
| Vapor   | pressure                              | : No data available    |
| Relati  | ve density                            | : No data available    |
| Relativ | ve vapor density at 20 °C             | : No data available    |
| Molec   | cular mass                            | : 202.1212 g/mol       |

### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Solubility                | : No data available |
|---------------------------|---------------------|
| Log Pow                   | : No data available |
| Auto-ignition temperature | : No data available |
| Decomposition temperature | : No data available |
| Viscosity                 | : No data available |
| Viscosity, kinematic      | : No data available |
| Viscosity, dynamic        | : No data available |

### 9.2. Other information

No additional information available

| SECTION 10: Stability and re                               | eactivity  |  |  |  |  |
|--|--|--|--|--|--|
| 10.1. Reactivity   | Reactivity   |  |  |  |  |
| No additional information available                        |  |  |  |  |  |
| 10.2. Chemical stability                                   | 2. Chemical stability  |  |  |  |  |
| The product is stable at normal handlin                    | ng and storage conditions.   |  |  |  |  |
| 10.3. Possibility of hazardous re                          | eactions   |  |  |  |  |
| No additional information available                        |  |  |  |  |  |
| 10.4. Conditions to avoid                                  |  |  |  |  |  |
| Keep away from heat, sparks and flam                       | Keep away from heat, sparks and flame.   |  |  |  |  |
| 10.5. Incompatible materials                               | i. Incompatible materials  |  |  |  |  |
| Strong oxidizing agents.                                   |  |  |  |  |  |
| 10.6. Hazardous decomposition                              | i products   |  |  |  |  |
| Under normal conditions of storage an fire, see Section 5. | nd use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of |  |  |  |  |
| <b>SECTION 11: Toxicological i</b>                         | nformation   |  |  |  |  |
| 11.1. Information on toxicologic                           | cal effects  |  |  |  |  |
| Acute toxicity   | : Not classified   |  |  |  |  |
| Skin corrosion/irritation                                  | : Causes skin irritation.  |  |  |  |  |
| Serious eye damage/irritation                              | : Causes serious eye irritation.   |  |  |  |  |

| Serious eye damage/irritation                    | : Causes serious eye irritation.    |
|--|-------------------------------------|
| Respiratory or skin sensitization                | : Not classified                    |
| Germ cell mutagenicity                           | : Not classified                    |
| Carcinogenicity                                  | : Not classified                    |
| Reproductive toxicity                            | : Not classified                    |
| Specific target organ toxicity (single exposure) | : May cause respiratory irritation. |
| Specific target organ toxicity (repeated         | : Not classified                    |

#### 15.1. US Federal regulations

#### Potassium pentafluoropropionate (378-76-7)

Listed on the United States TSCA (Toxic Substances Control Act) inventory

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

#### 15.2. International regulations

#### CANADA

Potassium pentafluoropropionate (378-76-7)

Listed on the Canadian NDSL (Non-Domestic Substances List)

#### **EU-Regulations**

No additional information available

### National regulations No additional information available

#### 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

| Skin Irrit. 2 | Skin corrosion/irritation Category 2                        |
| STOT SE 3     | Specific target organ toxicity (single exposure) Category 3 |
| H315          | Causes skin irritation                                      |
| H319          | Causes serious eye irritation                               |
| H335          | May cause respiratory irritation                            |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| NFPA health hazard | : 3 - Short exposure could cause serious temporary or residual injury even though prompt medical attention was given.   |
|--------------------|---|
| NFPA fire hazard   | : 0 - Materials that will not burn.   |
| NFPA reactivity    | : 0 - Normally stable, even under fire exposure conditions,<br>and are not reactive with water.   |
| HMIS III Rating    |   |
| Health             | : 2 Moderate Hazard - Temporary or minor injury may occur   |
| Flammability       | : 0 Minimal Hazard - Materials that will not burn   |
| Physical           | : 0 Minimal Hazard - Materials that are normally stable, even under fire conditions, and will NOT react with water, polymerize, decompose, condense, or self-react. Non-Explosives. |
