

# tert-Butyl 2-hydroxybutyrate Safety Data Sheet 2129177 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Date of issue: 07/31/2017 Version: 1.0

| SECTION 1: Identification  |   |
|--|---|
| 1.1. Identification  |   |
| in internet internet in the second se |   |
| Product form   | : Substance   |
| Substance name   | : tert-Butyl 2-hydroxybutyrate  |
| CAS No   | : 143131-58-2   |
| Product code   | : 2129-1-77   |
| Formula  | : C8H16O3   |
| Synonyms   | : tert-Butyl 2-hydroxybutanoate   |
| Other means of identification  | : MFCD00210055  |
| .2. Relevant identified uses of the su   | bstance or mixture and uses advised against   |
| Use of the substance/mixture   | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development                  |
| .3. Details of the supplier of the safet   | ty data sheet   |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of America<br>T (386) 462-0788 - F (386) 462-7097<br>info@synquestlabs.com - <u>www.synquestlabs.co</u>   |   |
| I.4. Emergency telephone number  |   |
| Emergency number   | : (844) 523-4086 (3E Company - Account 10069)   |
| SECTION 2: Hazard(s) identificatio   | n   |
| .1. Classification of the substance or   |   |
| Classification (GHS-US)  |   |
| STOT SE 3 H335 - May cause respiratory Full text of H-phrases: see section 16  |   |

| Full text of H-phrases: see section 16   |  | <u> </u>   |                    | 5101 52 3, 11555                     |
| 3.2. Mixture   |  |  |                    |                                      |
| Not applicable   |  |  |                    |                                      |
| SECTION 4: First aid measures  |  |  |                    |                                      |
| 4.1. Description of first aid measures   |  |  |                    |                                      |
| First-aid measures general   | : In cas   | se of accident or if you feel unwell, seek r   | medical advice i   | mmediately (show the label           |
|  |  | e possible). Move the affected personnel   |                    |                                      |
| First-aid measures after inhalation  |  | ove person to fresh air and keep comforta<br>ation. Get immediate medical advice/atte      |                    | g. If not breathing, give artificial |
| First-aid measures after skin contact  |  | with plenty of soap and water. Remove cal advice/attention.                                | contaminated c     | lothing and shoes. Get immediate     |
| First-aid measures after eye contact   |  | diately flush eyes thoroughly with water f<br>ant and easy to do. Continue rinsing. Get    |                    |                                      |
| First-aid measures after ingestion   | First-aid measures after ingestion         present and easy to do. Continue rinsing. Get immediate medical advice/attention.           First-aid measures after ingestion         : Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth out with water. Get immediate medical advice/attention. |  |                    | unconscious person. Rinse            |
| 4.2. Most important symptoms and effe  | cts, both  | acute and delayed  |                    |                                      |
| Symptoms/injuries : The most important known symptoms and effects are described in the labelling (see section 2.2) and/or in section 11.   |  |  |                    |                                      |
| Symptoms/injuries after inhalation : Material is destructive to tissue of the mucuous membranes and upper respiratory tract. Cough, shortness of breath, headache, nausea.       |  |  |                    |                                      |
| 4.3. Indication of any immediate medica  | al attentio  | n and special treatment needed   |                    |                                      |
| Treat symptomatically.   |  | · · · · · · · · · · · · · · · · · · ·  |                    |                                      |
| SECTION 5: Firefighting measures   |  |  |                    |                                      |
|  |  |  |                    |                                      |
| 5.1. Extinguishing media Suitable extinguishing media  |  | ol resistant foam. Carbon dioxide. Dry po  | wder Water en      | ray. Lise extinguishing media        |
|  |  | priate for surrounding fire.   | Judei. Walei sp    |                                      |
| 5.2. Special hazards arising from the su   |  |  |                    |                                      |
| Fire hazard  | : Therr  | nal decomposition generates: Carbon ox   | ides.              |                                      |
| 5.3. Advice for firefighters   |  |  |                    |                                      |
| Firefighting instructions  | : In ca  | se of fire: Evacuate area.   |                    |                                      |
| Protection during firefighting   |  | gas tight chemically protective clothing in<br>atus. For further information refer to sect |                    |                                      |
| SECTION 6: Accidental release measures   |  |  |                    |                                      |
| 6.1. Personal precautions, protective ed   |  |  |                    |                                      |
| General measures   | : Evac   | uate unnecessary personnel. Ensure ade   | equate air ventila | ation. Do not breathe dust.          |
| 6.1.1. For non-emergency personnel   |  |  |                    |                                      |
| Emergency procedures   | : Only   | qualified personnel equipped with suitabl  | e protective equ   | uipment may intervene.               |
| 6.1.2. For emergency responders  |  |  |                    |                                      |
| Protective equipment : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |  |  |                    |                                      |
| 6.2. Environmental precautions   |  |  |                    |                                      |
| Avoid release to the environment. Notify authorities if product enters sewers or public waters.  |  |  |                    |                                      |
| Avoid release to the environment. Notiny authorities in product enters sewers of public waters.  |  |  |                    |                                      |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| <b>.</b> .                              |  |
|---|--|
| 6.3. Methods and material for contain   | ment and cleaning up   |
| For containment                         | : Stop leak if safe to do so.  |
| Methods for cleaning up                 | : Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.   |
| Other information                       | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".   |
| 6.4. Reference to other sections        |  |
| No additional information available     |  |
| SECTION 7: Handling and storage         |  |
| 7.1. Precautions for safe handling      |  |
| Precautions for safe handling           | : Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective equipment. Avoid contact with skin and eyes. |
| Hygiene measures                        | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.   |
| 7.2. Conditions for safe storage, inclu | ding any incompatibilities   |
| Technical measures                      | : Comply with applicable regulations.  |
| Storage conditions                      | : Keep container closed when not in use. Keep away from ignition sources. Keep contents under inert gas.   |
| Incompatible materials                  | : Refer to Section 10 on Incompatible Materials.   |
| Storage area                            | : Store in dry, cool, well-ventilated area.  |
|   |  |

## SECTION 8: Exposure controls/personal protection

#### 8.1. Control parameters

No additional information available

| 8.2. Exposure controls           |  |
|----------------------------------|--|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers<br>should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.   |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.   |
| Skin and body protection         | : Wear suitable protective clothing.   |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.   |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.  |
|                                  |  |

| <b>SECTION 9: Physical and chemica</b>      | l properties          |                 |     |
|---|-----------------------|-----------------|-----|
| 9.1. Information on basic physical and      | d chemical properties |                 |     |
| Physical state                              | : Solid               |                 |     |
| Color                                       | : No data available   |                 |     |
| Odor  | : No data available   |                 |     |
| Odor threshold                              | : No data available   |                 |     |
| рН  | : No data available   |                 |     |
| Melting point                               | : No data available   |                 |     |
| Freezing point                              | : No data available   |                 |     |
| Boiling point                               | : No data available   |                 |     |
| Flash point                                 | : No data available   |                 |     |
| Relative evaporation rate (butyl acetate=1) | : No data available   |                 |     |
| Flammability (solid, gas)                   | : No data available   |                 |     |
| Explosion limits                            | : No data available   |                 |     |
| Explosive properties                        | : No data available   |                 |     |
| Oxidizing properties                        | : No data available   |                 |     |
| Vapor pressure                              | : No data available   |                 |     |
| Relative density                            | : No data available   |                 |     |
| Relative vapor density at 20 °C             | : No data available   |                 |     |
| Molecular mass                              | : 160.21 g/mol        |                 |     |

|   |                       |                 |     |

## Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Solubility                | : No data available |
|---------------------------|---------------------|
| Log Pow                   | : No data available |
| Auto-ignition temperature | : No data available |
| Decomposition temperature | : No data available |
| Viscosity                 | : No data available |
| Viscosity, kinematic      | : No data available |
| Viscosity, dynamic        | : No data available |

#### 9.2. Other information

No additional information available

| SECT    | ION 10: Stability and reactivity  |
|---------|---|
| 10.1.   | Reactivity  |
| No addi | tional information available  |
| 10.2.   | Chemical stability  |
| The pro | duct is stable at normal handling and storage conditions.   |
| 10.3.   | Possibility of hazardous reactions  |
| No addi | tional information available  |
| 10.4.   | Conditions to avoid   |
| Keep av | way from heat, sparks and flame.  |
| 10.5.   | Incompatible materials  |
| Strong  | oxidizing agents.   |
| 10.6.   | Hazardous decomposition products  |
|         | normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of e Section 5. |

| SECTION | DN 11: Toxicological information     |
|---------|--------------------------------------|
| 11.1.   | Information on toxicological effects |

Acute toxicity

#### : Not classified

| Skin corrosion/irritation   | : Causes skin irritation.   |
|---|---|
| Serious eye damage/irritation   | : Causes serious eye damage.  |
| Respiratory or skin sensitization   | : Not classified  |
| Germ cell mutagenicity  | : Not classified  |
| Carcinogenicity   | : Not classified  |
| Reproductive toxicity<br>Specific target organ toxicity (single exposure) | Not classified     May cause respiratory irritation.  |
| Specific target organ toxicity (repeated exposure)                        | : Not classified  |
| Aspiration hazard   | : Not classified  |
| Symptoms/injuries after inhalation  | : Material is destructive to tissue of the mucuous membranes and upper respiratory tract. Cough, shortness of breath, headache, nausea. |

| SECTIO    | SECTION 12: Ecological information |  |  |
|-----------|------------------------------------|--|--|
| 12.1.     | Toxicity                           |  |  |
| No additi | onal information available         |  |  |
| 12.2.     | Persistence and degradability      |  |  |
| No additi | onal information available         |  |  |
| 12.3.     | Bioaccumulative potential          |  |  |
| No additi | onal information available         |  |  |
| 12.4.     | Mobility in soil                   |  |  |
| No additi | onal information available         |  |  |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

### 12.5. Other adverse effects

No additional information available

| SECTION 13: Disposal consider  | ations  |
|--------------------------------|---|
| 13.1. Waste treatment methods  |   |
| Waste treatment methods        | : Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.   |
| Waste disposal recommendations | : Dispose of contents/container in accordance with licensed collector's sorting instructions. |
| Additional information         | : Recycle the material as far as possible.  |
| SECTION 14: Transport informa  | tion  |

#### **Department of Transportation (DOT)**

In accordance with DOT

Not regulated for transport

#### TDG

No additional information available

#### Transport by sea

No additional information available

#### Air transport

No additional information available

#### **SECTION 15: Regulatory information**

#### 15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic

| Substances Control Act (13CA) inventory exception. |                    |      |
