

Safety Data Sheet 2129317 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 05/25/2016 Version: 1.0

SECTION 1: Identification	
.1. Identification	
Product form	: Substance
Substance name	: Ethyl 4,4-difluoro-3-oxobutyrate
CAS No	: 352-24-9
Product code	: 2129-3-17
Formula	: C6H8F2O3
Synonyms	: Ethyl 4,4-difluoro(acetoacetate); Ethyl (2,2-difluoroaceto)acetate; Ethyl 4,4-difluoro-3-
	ketobutyrate; Ethyl 4,4-difluoro-3-oxobutanoate
Other means of identification	: MFCD00039277
.2. Relevant identified uses of the s	ubstance or mixture and uses advised against
Jse of the substance/mixture	: Laboratory chemicals
	Manufacture of substances
	Scientific research and development
.3. Details of the supplier of the safe	ety data sheet

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.1.1.	For non-emergency personnel	
Emerger	ncy procedures	: Only qualified personnel equipped with suitable protective equipment may intervene.
6.1.2.	For emergency responders	
Protectiv	ve equipment	: Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".
Emerger	ncy procedures	: Gas/vapor heavier than air. May accumulate in confined spaces, particularly at or below ground level. Consider the risk of potentially explosive atmospheres. Eliminate every possible source of ignition.
6.2.	Environmental precautions	
Avoid re	lease to the environment. Notify authorit	ies if product enters sewers or public waters.
6.3.	Methods and material for containme	ant and cleaning up
For cont	ainment	: Stop leak if safe to do so. Dike for recovery or absorb with appropriate material.
Methods	for cleaning up	: Take up large spills with pump or vacuum and finish with dry chemical absorbent. Use explosion-proof equipment. Take up small spills with dry chemical absorbent. Sweep or shovel spills into appropriate container for disposal. Ventilate area.
Other inf	formation	: For disposal of solid materials or residues refer to section 13 : "Disposal considerations".
6.4.	Reference to other sections	
No addit	ional information available	
SECTI	ON 7: Handling and storage	
7.1.	Precautions for safe handling	
Addition	al hazards when processed	: Handle empty containers with care because residual vapors are flammable.
Precauti	ons for safe handling	: Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe fumes, mist, spray, vapors. Wear personal protective equipment. Avoid contact with skin and eyes. Keep away from ignition sources (including static discharges). Proper grounding procedures to avoid static electricity should be followed. Use only non-sparking tools.
Hygiene	measures	: Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or
		smoke when using this product. Always wash hands after handling the product.
7.2.	Conditions for safe storage, includi	smoke when using this product. Always wash hands after handling the product.
