

2-Methoxyprop-1-ene Safety Data Sheet 2307101 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 09/15/2016 Version: 1.0

| SECTION 1: Identification  |  |
|--|--|
| 1.1. Identification  |  |
| Product form   | : Substance  |
| Substance name   | : 2-Methoxyprop-1-ene  |
| CAS No   | : 116-11-0   |
| Product code   | : 2307-1-01  |
| Formula  | : C4H8O  |
| Synonyms   | : Isopropenyl methyl ether   |
| Other means of identification  | : MFCD00014929   |
| 1.2. Relevant identified uses of the   | substance or mixture and uses advised against  |
| Use of the substance/mixture   | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development   |
| 1.3. Details of the supplier of the sa   | afety data sheet   |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of Amer<br>T (386) 462-0788 - F (386) 462-7097<br>info@synquestlabs.com - <u>www.synquestlab</u>  |  |
| 1.4.Emergency telephone number   |  |
| Emergency number   | : (844) 523-4086 (3E Company - Account 10069)  |
| SECTION 2: Hazard(s) identificat   | tion   |
| 2.1. Classification of the substance   |  |
| Classification (GHS-US)  |  |
| Acute Tox. 4 (Oral) H302 - Harmful if sw<br>Skin Irrit. 2 H315 - Causes skin   | irritation   |
| Acute Tox. 4 (Oral)H302 - Harmful if swSkin Irrit. 2H315 - Causes skinEye Irrit. 2AH319 - Causes sericSTOT SE 3H335 - May cause re   | vallowed interval interva |
| Acute Tox. 4 (Oral)H302 - Harmful if swSkin Irrit. 2H315 - Causes skinEye Irrit. 2AH319 - Causes sericSTOT SE 3H335 - May cause reFull text of H-phrases: see section 16   | vallowed interval interva |
| Acute Tox. 4 (Oral)H302 - Harmful if swSkin Irrit. 2H315 - Causes skinEye Irrit. 2AH319 - Causes sericSTOT SE 3H335 - May cause reFull text of H-phrases: see section 162.2.Label elements   | vallowed interval interva |
| Acute Tox. 4 (Oral)       H302 - Harmful if sw         Skin Irrit. 2       H315 - Causes skin         Eye Irrit. 2A       H319 - Causes seric         STOT SE 3       H335 - May cause reference         Full text of H-phrases: see section 16         2.2. # 2-Methoxyprop-1-ene Safety Data Sheet

| 5.3. Advice for fi        | / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations   |
|---------------------------|--|
| Firefighting instructions | : In case of fire: Evacuate area. Fight fire remotely due to the risk of explosion.  |
| Protection during firefig |  |
| SECTION 6: Accie          | ental release measures   |
| 6.1. Personal pre         | autions, protective equipment and emergency procedures   |
| General measures          | : Evacuate unnecessary personnel. Ensure adequate air ventilation. Do not breathe gas, fumes, vapor or spray.  |
| 6.1.1. For non-eme        | gency personnel  |
| Emergency procedures      | : Only qualified personnel equipped with suitable protective equipment may intervene.  |
| 6.1.2. For emerger        | cy responders  |
| Protective equipment      | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".  |
| Emergency procedures      | : Gas/vapor heavier than air. May accumulate in confined spaces, particularly at or below ground level. Consider the risk of potentially explosive atmospheres. Eliminate every possible source of ignition. |
| 6.2. Environmen           | al precautions   |
| Avoid release to the en   | ronment. Notify authorities if product enters sewers or public waters.   |
| 6.3. Methods and          | material for containment and cleaning up   |
| For containment           | : Stop leak if safe to do so. Dike for recovery or absorb with appropriate material.   |

| For containment         | : Stop leak if safe to do so. Dike for recovery or absorb with appropriate material.  |
|-------------------------|---|
| Methods for cleaning up | : Take up large spills with pump or vacuum and finish with dry chemical absorbent. Use explosion-proof equipment. Take up small spills with dry chemical absorbent. Sweep or shovel |
|                         | spills into appropriate container for disposal. Ventilate area.   |
| Other information       | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".  |
|                         |   |

#### 6.4. **Reference to other sections**

No additional information available

| SECTION 7: Handling and storage            |   |
|--|---|
| 7.1. Precautions for safe handling         |   |
| Additional hazards when processed          | : Handle empty containers with care because residual vapors are flammable.  |
| Precautions for safe handling              | : Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe fumes, mist, spray, vapors. Wear personal protective equipment. Avoid contact with skin and eyes. Keep away from ignition sources (including static discharges). Proper grounding procedures to avoid static electricity should be followed. Use only non-sparking tools. |
| Hygiene measures                           | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.  |
| 7.2. Conditions for safe storage, includin | g any incompatibilities   |
| Technical measures                         | : Comply with applicable regulations.   |
| Storage conditions                         | : Keep container closed when not in use. Keep away from ignition sources. Keep contents under inert gas.  |
| Incompatible materials                     | : Refer to Section 10 on Incompatible Materials.  |
| Storage temperature                        | : 2 - 8 °C Use explosion proof refrigerator   |
| Storage area                               | : Store in dry, well-ventilated area. Light sensitive.  |

### SECTION 8: Exposure controls/personal protection

8.1. **Control parameters** 

No additional information available

| 8.2. Exposure controls           |  |  |        |
|----------------------------------|--|--|--------|
| Appropriate engineering controls | : Ensure good ventilation of the work station. should be available in the immediate vicinity | Emergency eye wash fountains and safety sh   | owers  |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand   | Protection.                                  |        |
| Eye protection                   | : Chemical goggles or safety glasses. Face s   | hield. 29 CFR 1910.133: Eye and Face Protect | ction. |
| Skin and body protection         | : Wear suitable protective clothing.   |  |        |
| 12/06/2016                       | EN (English US)  | SDS ID: 2307101                              | 3/7    |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Respiratory protection         | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection. |

| Other information              | : Safety shoes. 29 CFR 1910.136: Foot Protection.  |
| <b>SECTION 9: Physical and</b> | chemical properties  |
| 9.1. Information on basic p    | hysical and chemical properties  |
| Dhusiaal state                 |  |

| Physical state                              | : Liquid               |
|---|------------------------|
| Color                                       | : No data available    |
| Odor  | : No data available    |
| Odor threshold                              | : No data available    |
| pH  | : No data available    |
| Melting point                               | : No data available    |
| Freezing point                              | : No data available    |
| Boiling point                               | : 34 - 36 °C           |
| Flash point                                 | : -29 °C               |
| Relative evaporation rate (butyl acetate=1) | : No data available    |
| Flammability (solid, gas)                   | : No data available    |
| Explosion limits                            | : No data available    |
| Explosive properties                        | : No data available    |
| Oxidizing properties                        | : No data available    |
| Vapor pressure                              | : 8.28 psig (@ 20 °C)  |
| Relative density                            | : No data available    |
| Relative vapor density at 20 °C             | : No data available    |
| Specific gravity / density                  | : 0.753 g/ml (@ 25 °C) |
| Molecular mass                              | : 72.11 g/mol          |
| Solubility                                  | : No data available    |
| Log Pow                                     | : No data available    |
| Auto-ignition temperature                   | : No data available    |
| Decomposition temperature                   | : No data available    |
| Viscosity                                   | : No data available    |
| Viscosity, kinematic                        | : No data available    |
| Viscosity, dynamic                          | : No data available    |
| 9.2. Other information                      |                        |
| Refractive index                            | : 1.382 (@ 20 °C)      |

#### **SECTION 10: Stability and reactivity**

10.1. Reactivity

No additional information available

#### 10.2. Chemical stability

The product is stable at normal handling and storage conditions. Stabilized product: Potassium carbonate.

| 10.3. | Describility of honorday, prosting |
|-------|------------------------------------|
| 10.5. | Possibility of hazardous reactions |
|       |                                    |
|       |                                    |

May polymerize.

#### 10.4. Conditions to avoid

Keep away from heat, sparks and flame.

10.5. Incompatible materials

Acids. Oxidizing agents.

10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

#### **SECTION 11: Toxicological information**

11.1. Information on toxicological effects

#### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Acute toxicity                                     | : Oral: Harmful if swallowed.       |

#### 15.1. US Federal regulations

#### 2-Methoxyprop-1-ene (116-11-0)

Listed on the United States TSCA (Toxic Substances Control Act) inventory

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

Class B Division 2 - Flammable Liquid
