

# **2-Fluoro-5-methoxyphenylacetic acid** Safety Data Sheet 272132C according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Date of issue: 02/05/2018 Version: 1.0

| SECTION 1: Identification  |  |
|--|--|
| 1.1. Identification  |  |
| Product form   | : Substance  |
| Substance name   | : 2-Fluoro-5-methoxyphenylacetic acid  |
| CAS No   | : 798563-50-5  |
| Product code   | : 2721-3-2C  |
| Formula  | : C9H9FO3  |
| Synonyms   | : (2-Fluoro-5-methoxyphenyl)acetic acid: 3-(Carboxymethyl)-4-fluoroanisole                 |
| Other means of identification  | : (2-Fluoro-3-memoryphenyl)acetic acid, 3-(Carboxymethyl)-4-huoroanisole                   |
|  |  |
|  | ubstance or mixture and uses advised against   |
| Jse of the substance/mixture   | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development |

| 3.2. Mixture  |   |   |                   |   |
| Not applicable  |   |   |                   |   |
| SECTION 4: First aid measures   |   |   |                   |   |
| 4.1. Description of first aid measures  |   |   |                   |   |
| First-aid measures general  |   | e of accident or if you feel unwell, seek r<br>possible). Move the affected personnel   |                   |   |
| First-aid measures after inhalation   |   | ove person to fresh air and keep comforta ation. Get immediate medical advice/atte      |                   | g. If not breathing, give artificial                          |
| First-aid measures after skin contact   | : Wash  | with plenty of soap and water. Get medi   | cal advice/atten  | tion.   |
| First-aid measures after eye contact  |   | ove contact lenses, if present and easy to<br>ughly with water for at least 15 minutes. |                   | • • •   |
| First-aid measures after ingestion  | : Due to its physical form, exposure to this chemical is not likely. Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth out with water. Get medical advice/attention. |   |                   |   |
| 4.2. Most important symptoms and effects  | s, both a   | acute and delayed   |                   |   |
| Symptoms/injuries   |   | nost important known symptoms and effe<br>nd/or in section 11.                          | ects are describe | ed in the labelling (see section                              |
| Symptoms/injuries after inhalation  | : May c   | ause drowsiness or dizziness.   |                   |   |
| Symptoms/injuries after skin contact  | : Conta   | Contact with the liquid the may cause cold burns/frostbite.                             |                   |   |
| Symptoms/injuries after eye contact   |   | contact with the liquefied gas may cause<br>stbite from rapid liquid evaporation.       | e severe and po   | ssibly permanent eye injury due                               |
| 4.3. Indication of any immediate medical a  | attentio  | n and special treatment needed  |                   |   |
| No additional information available   |   |   |                   |   |
| SECTION 5: Firefighting measures  |   |   |                   |   |
| 5.1. Extinguishing media  |   |   |                   |   |
|   |   | ol resistant foam. Carbon dioxide. Dry po<br>priate for surrounding fire.               | owder. Water sp   | ray. Use extinguishing media                                  |
| 5.2. Special hazards arising from the substance or mixture  |   |   |                   |   |
| Fire hazard   | : Thern   | nal decomposition generates: Carbon ox  | ides. Hydrogen f  | fluoride.   |
| 5.3. Advice for firefighters  |   |   |                   |   |
|   | : In cas  | e of fire: Evacuate area.   |                   |   |
| Protection during firefighting : Wear gas tight chemically protective clothing in combination with self contained breathing apparatus. For further information refer to section 8: "Exposure controls/personal protection". |   |   |                   |   |
| SECTION 6: Accidental release measures  |   |   |                   |   |
| 6.1. Personal precautions, protective equipment and emergency procedures  |   |   |                   |   |
|   |   | uate unnecessary personnel. Ensure ade  | quate air ventila | tion. Do not breathe dust.                                    |
|   |   |   |                   |   |
| 6.1.1. For non-emergency personnel Emergency procedures   | : Only o  | qualified personnel equipped with suitabl   | e protective equ  | ipment may intervene.   |

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.1.2. For emergency respon         | ders   |
|-------------------------------------|--|
| Protective equipment                | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".  |
| 6.2. Environmental precaut          | ions   |
| Avoid release to the environment.   | Notify authorities if product enters sewers or public waters.  |
| 6.3. Methods and material           | or containment and cleaning up   |
| For containment                     | : Stop leak if safe to do so.  |
| Methods for cleaning up             | : Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.   |
| Other information                   | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".   |
| 6.4. Reference to other sec         | tions  |
| No additional information available |  |
| SECTION 7: Handling and             | storage  |
| 7.1. Precautions for safe ha        | Indling  |
| Precautions for safe handling       | Do not handle until all safety precautions have been read and understood. Ensure good<br>ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective<br>equipment. Avoid contact with skin and eyes. |
| Hygiene measures                    | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or<br>smoke when using this product. Always wash hands after handling the product.  |
| 7.2. Conditions for safe sto        | rage, including any incompatibilities  |
| Technical measures                  | : Comply with applicable regulations.  |
| Storage conditions                  | : Keep container closed when not in use.   |
| Incompatible materials              | : Refer to Section 10 on Incompatible Materials.   |
| Storago area                        | · Store in dry cool well ventilated area   |

Storage area : Store in dry, cool, well-ventilated area.

## **SECTION 8: Exposure controls/personal protection**

8.1. Control parameters

No additional information available

| 8.2. Exposure controls           |  |
|----------------------------------|--|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers<br>should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.   |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.   |
| Skin and body protection         | : Wear suitable protective clothing.   |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.   |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.  |

### **SECTION 9: Physical and chemical properties**

| 9.1. Information on basic physical and      | I chemical properties |
|---|-----------------------|
| Physical state                              | : Solid               |
| Color                                       | : No data available   |
| Odor  | : No data available   |
| Odor threshold                              | : No data available   |
| pH  | : No data available   |
| Melting point                               | : 81 - 83 °C          |
| Freezing point                              | : No data available   |
| Boiling point                               | : No data available   |
| Flash point                                 | : No data available   |
| Relative evaporation rate (butyl acetate=1) | : No data available   |
| Flammability (solid, gas)                   | : No data available   |
| Explosion limits                            | : No data available   |
| Explosive properties                        | : No data available   |
|   |                       |

| SECTION 13: Disposal considerations |   |  |  |
|-------------------------------------|---|--|--|
| 13.1. Waste treatment methods       |   |  |  |
| Waste treatment methods             | : Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.   |  |  |
| Waste disposal recommendations      | : Dispose of contents/container in accordance with licensed collector's sorting instructions. |  |  |
| Additional information              | : Recycle the material as far as possible.  |  |  |
| SECTION 14: Transport informatio    | n   |  |  |

#### **Department of Transportation (DOT)**

In accordance with DOT Not regulated for transport

#### TDG

No additional information available

#### Transport by sea

No additional information available

#### Air transport

No additional information available

#### SECTION 15: Regulatory information

#### 15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

| 2-Fluoro-5-methoxyphenylacetic acid | CAS No 798563-50-5 | 100% |
|-------------------------------------|--------------------|------|
|                                     |                    |      |

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

#### 15.2. International regulations

**CANADA** 

No additional information available

**EU-Regulations** No additional information available

#### **National regulations**

No additional information available

#### 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

#### **SECTION 16: Other information**
