

Safety Data Sheet 2H26110 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 02/23/2016 Version: 1.0

SECTION 1: Identification			
1.1. Identification			
Product form	: Substance		
Substance name	: Pimelic anhydride		
CAS No	: 10521-07-0		
Product code	: 2H26-1-10		
Formula	: C7H10O3		
Synonyms	: Oxocane-2,8-dione; 2,8-Oxocanedione; Pimelic acid anhydride		
Other means of identification	: MFCD16294213		
1.2. Relevant identified uses of the su	ibstance or mixture and uses advised against		
Use of the substance/mixture	: Laboratory chemicals		
	Manufacture of substances Scientific research and development		
1.3. Details of the supplier of the safe	ty data sheet		
SynQuest Laboratories, Inc.			
P.O. Box 309			
Alachua, FL 32615 - United States of America T (386) 462-0788 - F (386) 462-7097			
info@synquestlabs.com - www.synquestlabs.c	com		
1.4. Emergency telephone number			
Emergency number	: (844) 523-4086 (3E Company - Account 10069)		
SECTION 2. Hozard(a) identificatio			
SECTION 2: Hazard(s) identificatio			
2.1. Classification of the substance or	r mixture		
Classification (GHS-US)			
Skin Irrit. 2 H315 - Causes skin irritation			
Eye Irrit. 2A H319 - Causes serious eye irr STOT SE 3 H335 - May cause respiratory			
, , ,	Initation		
Full text of H-phrases: see section 16			
2.2. Label elements			
GHS-US labeling			
Hazard pictograms (GHS-US)			
Signal word (GHS LIS)	GHS07		
Signal word (GHS-US)	:Warning :H315 - Causes skin irritation		
Hazard statements (GHS-US)	H319 - Causes serious eve irritation		
	H335 - May cause respiratory irritation		
Precautionary statements (GHS-US)	: P261 - Avoid breathing dust, mist, spray		
,	P264 - Wash skin thoroughly after handling		
	P271 - Use only outdoors or in a well-ventilated area		
	P280 - Wear protective gloves/protective clothing/eye protection/face protection P302+P352 - If on skin: Wash with plenty of soap and water		
	P304+P340 - If inhaled: Remove person to fresh air and keep comfortable for breathing		
	P305+P351+P338 - If in eyes: Rinse cautiously with water for several minutes. Remove contact		
	lenses, if present and easy to do. Continue rinsing		
	P321 - Specific treatment (see supplemental first and instructions of this faber) P332+P313 - If skin irritation occurs: Get medical advice/attention		
	P337+P313 - If eye irritation persists: Get medical advice/attention		
	P362+P364 - Take off contaminated clothing and wash it before reuse		
	P501 - Dispose of contents/container to an approved waste disposal plant		
	P312 - Call a POISON CENTER or doctor/physician if you feel unwell P321 - Specific treatment (see supplemental first aid instructions on this label) P332+P313 - If skin irritation occurs: Get medical advice/attention P337+P313 - If eye irritation persists: Get medical advice/attention		

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

2.3. Other hazards			
No additional information available			
2.4. Unknown acute toxicity (GHS US)			
Not applicable			
ECTION 3: Composition/informati	on on ingredients		
.1. Substance	on on ingreatents		
Substance type	: Mono-constituent		
••			
Name Pimelic anhydride	Product identifier         %         Classificat           (CAS No) 10521-07-0         <= 100	ion (GHS-US)	
(Main constituent)	Eye Irrit. 2A, STOT SE 3,	H319	
ull text of H-phrases: see section 16			
.2. Mixture			
lot applicable			
SECTION 4: First aid measures			
.1. Description of first aid measures			
irst-aid measures general	: In case of accident or if you feel unwell, seek medical advice immediately ( where possible). Move the affected personnel away from the contaminated		
irst-aid measures after inhalation	: Remove person to fresh air and keep comfortable for breathing. If not breat respiration. Get medical advice/attention.	thing, give artificial	
irst-aid measures after skin contact : Wash with plenty of soap and water. Get medical advice/attention.			
First-aid measures after eye contact	: Immediately flush eyes thoroughly with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention.		
	present and easy to do. Continue rinsing. Get medical advice/attention.		
irst-aid measures after ingestion	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> </ul>	person. Rinse	
-	: Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.	person. Rinse	
4.2. Most important symptoms and effe	: Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.		
Most important symptoms and effective Symptoms/injuries	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> <li>both acute and delayed</li> <li>The most important known symptoms and effects are described in the labe</li> </ul>		
Most important symptoms and efference     Symptoms/injuries     Indication of any immediate medic	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> <li>both acute and delayed</li> <li>The most important known symptoms and effects are described in the labe 2.2) and/or in section 11.</li> </ul>		
Most important symptoms and efference     Symptoms/injuries     Indication of any immediate medic     Treat symptomatically.	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> <li>both acute and delayed</li> <li>The most important known symptoms and effects are described in the labe 2.2) and/or in section 11.</li> </ul>		
I.2.       Most important symptoms and effe         Symptoms/injuries       Indication of any immediate medic         I.3.       Indication of any immediate medic         Treat symptomatically.       Image: Section 5: Firefighting measures	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> <li>both acute and delayed</li> <li>The most important known symptoms and effects are described in the labe 2.2) and/or in section 11.</li> </ul>		
2. Most important symptoms and effects symptoms/injuries 3. Indication of any immediate medic freat symptomatically. SECTION 5: Firefighting measures 5.1. Extinguishing media	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Get medical advice/attention.</li> <li>both acute and delayed</li> <li>The most important known symptoms and effects are described in the labe 2.2) and/or in section 11.</li> </ul>	lling (see section	
A.2.       Most important symptoms and efference         Symptoms/injuries       A.3.         Indication of any immediate medic         Treat symptomatically.         SECTION 5: Firefighting measures         A.1.         Extinguishing media         Suitable extinguishing media	<ul> <li>Do NOT induce vomiting. Never give anything by mouth to an unconscious mouth out with water. Ensure adequate air ventilation. Do not 1</li> </ul> </li>	lling (see section	

Avoid release to the environment. Notify authorities if product enters sewers or public waters.

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.3.	Methods and material for containn	nent and cleaning up
For co	ntainment	: Stop leak if safe to do so.
Metho	ds for cleaning up	: Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.
Other i	nformation	: For disposal of solid materials or residues refer to section 13 : "Disposal considerations".
6.4.	Reference to other sections	
No add	ditional information available	
SECT	<b>FION 7: Handling and storage</b>	
7.1.	Precautions for safe handling	
Precau	itions for safe handling	Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective

	equipment. Avoid contact with skin and eyes.
Hygiene measures	: Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
7.2. Conditions for safe storage, includ	ing any incompatibilities
Technical measures	: Comply with applicable regulations.
Storage conditions	: Keep container closed when not in use. Moisture sensitive. Keep contents under inert gas.
Incompatible materials	: Refer to Section 10 on Incompatible Materials.

age area	: Store in dry, cool, well-ventilated	l area.
----------	---------------------------------------	---------

## **SECTION 8: Exposure controls/personal protection**

### 8.1. **Control parameters**

Stora

## No additional information available

8.2. Exposure controls	
Appropriate engineering controls	: Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure.
Hand protection	: Protective gloves. 29 CFR 1910.138: Hand Protection.
Eye protection	: Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.
Skin and body protection	: Wear suitable protective clothing.
Respiratory protection	: In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory Protection.
Other information	: Safety shoes. 29 CFR 1910.136: Foot Protection.

## **SECTION 9: Physical and chemical properties**

9.1.	Information on basic physical an	d chemical properties
Physic	cal state	: Solid
Color		: No data available
Odor		: No data available
Odor t	hreshold	: No data available
pН		: No data available
Melting	g point	: No data available
Freezin	ng point	: No data available
Boiling	g point	: No data available
Flash p	point	: No data available
Relativ	ve evaporation rate (butyl acetate=1)	: No data available
Flamm	nability (solid, gas)	: No data available
Explos	sion limits	: No data available
Explos	sive properties	: No data available
Oxidizi	ing properties	: No data available
Vapor	pressure	: No data available
Relativ	ve density	: No data available
Relativ	ve vapor density at 20 °C	: No data available
Molecu	ular mass	: 142.15 g/mol

Pimelic anhydride Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available

### 9.2. **Other information**

No additional information available

<b>SECTION 10: Stability and reactivity</b>		
10.1. Reactivity		
No additional information available		
10.2. Chemical stability		
The product is stable at normal handling and sto	rage conditions.	
10.3. Possibility of hazardous reactions		
No additional information available		
10.4. Conditions to avoid		
Keep away from heat, sparks and flame. Moistur	re.	
10.5. Incompatible materials		
Acids. Alcohols. Amines. Bases. Strong oxidizing	g agents. Water.	
10.6. Hazardous decomposition products		
Under normal conditions of storage and use, has	zardous decomposition products should not be produced. Hazardous decomposition products in case of	
fire, see Section 5.

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

SECTION 13: Disposal considerations	3
13.1. Waste treatment methods	
Waste treatment methods	: Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.
Waste disposal recommendations	: Dispose of contents/container in accordance with licensed collector's sorting instructions.
Additional information	: Recycle the material as far as possible.
SECTION 14: Transport information	
Department of Transportation (DOT)	
In accordance with DOT	
Not regulated for transport	
TDG	
No additional information available	
Transport by sea	
No additional information available	
Air transport	
No additional information available	
<b>SECTION 15: Regulatory information</b>	
15.1. US Federal regulations	

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

Pimelic annyaride CAS No 10521-07-0 100%	Pimelic anhydride		100%
--	-------------------	--	------

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

## 15.2. International regulations

CANADA

No additional information available

EU-Regulations No additional information available

## **National regulations**

No additional information available

## 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

## **SECTION 16: Other information**

Full text of H-phrases:

Eye Irrit. 2A	Serious eye damage/eye irritation Category 2A
Skin Irrit. 2	Skin corrosion/irritation Category 2
STOT SE 3	Specific target organ toxicity (single exposure) Category 3
H315	Causes skin irritation
H319	Causes serious eye irritation
H335	May cause respiratory irritation
