

2,3,4,5,6-Pentafluoroaniline Safety Data Sheet 3630305 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 02/03/2016 Version: 1.0

| SECTION 1: Identification   |  |
|---|--|
| 1.1. Identification   |  |
| Product form  | : Substance  |
| Substance name  | : 2,3,4,5,6-Pentafluoroaniline   |
| CAS No  | : 771-60-8   |
| Product code  | : 3630-3-05  |
| Formula   | : C6H2F5N  |
| Synonyms  | : 2,3,4,5,6-Pentafluorobenzenamine   |
| Other means of identification   | : MFCD00007643   |
| 1.2. Relevant identified uses of the s  | substance or mixture and uses advised against  |
| Use of the substance/mixture  | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development                               |
| 1.3. Details of the supplier of the saf   | iety data sheet  |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of Americ<br>T (386) 462-0788 - F (386) 462-7097<br>info@synquestlabs.com - www.synquestlabs   |  |
| 1.4. Emergency telephone number   |  |
| Emergency number  | : (844) 523-4086 (3E Company - Account 10069)  |
| SECTION 2: Hazard(s) identificati   | ion  |
| 2.1. Classification of the substance  |  |
| Classification (GHS-US)   |  |

| 3.2. Mixture  |                  |   |                             |   |
| Not applicable  |                  |   |                             |   |
| SECTION 4: First aid measures   |                  |   |                             |   |
| 4.1. Description of first aid measures                                      |                  |   |                             |   |
| First-aid measures general  |                  | se of accident or if you feel unwell, seek<br>e possible). Move the affected personnel  |                             |   |
| First-aid measures after inhalation   |                  | ove person to fresh air and keep comfort ration. Get medical advice/attention.  | able for breathin           | g. If not breathing, give artificial  |
| First-aid measures after skin contact                                       | : Was            | h with plenty of soap and water. Get med  | lical advice/atten          | ntion.  |
| First-aid measures after eye contact  |                  | ediately flush eyes thoroughly with water<br>ent and easy to do. Continue rinsing. Get  |                             |   |
| First-aid measures after ingestion  | : Do N<br>mout   | IOT induce vomiting. Never give anything<br>h out with water. Get medical advice/atte   | g by mouth to an<br>ention. | unconscious person. Rinse   |
| 4.2. Most important symptoms and e  | fects, both      | acute and delayed   |                             |   |
| Symptoms/injuries   |                  | most important known symptoms and effo<br>and/or in section 11.   | ects are describe           | ed in the labelling (see section  |
| 4.3. Indication of any immediate med  | cal attentio     | on and special treatment needed   |                             |   |
| Treat symptomatically.  |                  |   |                             |   |
| SECTION 5: Firefighting measures  | :                |   |                             |   |
| 5.1. Extinguishing media  |                  |   |                             |   |
| Suitable extinguishing media  | : Alcol<br>appro | nol resistant foam. Carbon dioxide. Dry p<br>opriate for surrounding fire.  | owder. Water sp             | oray. Use extinguishing media   |
| 5.2. Special hazards arising from the                                       | substance        | or mixture  |                             |   |
| Fire hazard   | : Ther           | mal decomposition generates: Carbon o>  | kides. Hydrogen             | fluoride. Nitrogen oxides.  |
| Explosion hazard  |                  | n mixed with air and exposed to an ignition<br>ode if confined. Risk of explosion if heate  |                             |   |

General measures

Firefighting instructions

Protection during firefighting

Advice for firefighters

SECTION 6: Accidental release measures

breathe gas, fumes, vapor or spray.

Personal precautions, protective equipment and emergency procedures

cooling exposed containers. May form flammable/explosive vapor-air mixture.

: In case of fire: Evacuate area. Fight fire remotely due to the risk of explosion.

: Wear gas tight chemically protective clothing in combination with self contained breathing

apparatus. For further information refer to section 8: "Exposure controls/personal protection".

: Evacuate unnecessary personnel. Ensure adequate air ventilation. Do not breathe dust. Do not

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.1.1. For non-emergency personnel                  |  |
|---|--|
| Emergency procedures                                | : Only qualified personnel equipped with suitable protective equipment may intervene.  |
| 6.1.2. For emergency responders                     |  |
| Protective equipment                                | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".  |
| Emergency procedures                                | : Avoid raising dust. Gas/vapor heavier than air. May accumulate in confined spaces, particularly at or below ground level. Consider the risk of potentially explosive atmospheres. Eliminate every possible source of ignition.   |
| 6.2. Environmental precautions                      |  |
| Avoid release to the environment. Notify authoritie | es if product enters sewers or public waters.  |
| 6.3. Methods and material for containment           | nt and cleaning up   |
| For containment                                     | : Stop leak if safe to do so. Dike for recovery or absorb with appropriate material.   |
| Methods for cleaning up                             | : Minimize generation of dust. Take up large spills with pump or vacuum and finish with dry chemical absorbent. Use explosion-proof equipment. Take up small spills with dry chemical absorbent. Sweep or shovel spills into appropriate container for disposal. Ventilate area. |
| Other information                                   | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".   |
| 6.4. Reference to other sections                    |  |
| No additional information available                 |  |
| SECTION 7: Handling and storage                     |  |
| 7.1. Precautions for safe handling                  |  |
| Precautions for safe handling                       | : Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, fumes, mist, spray, vapors. Wear personal protective equipment. Avoid contact with skin and eyes.                                  |
| Hygiene measures                                    | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.   |
| 7.2. Conditions for safe storage, includin          | g any incompatibilities  |
| Technical measures                                  | : Comply with applicable regulations.  |
| Storage conditions                                  | : Keep container closed when not in use. Air sensitive. Keep contents under inert gas.   |
| Incompatible materials                              | : Refer to Section 10 on Incompatible Materials.   |
| Storage area  | : Store in dry, cool, well-ventilated area.  |
| SECTION 8: Exposure controls/perso                  | onal protection  |

#### 8.1. **Control parameters**

No additional information available

| 8.2. Exposure controls           |   |
|----------------------------------|---|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.  |
| Skin and body protection         | : Wear suitable protective clothing.  |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.  |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.   |

| Melting point          | : 33 - 35 °C                         |  |
|------------------------|--------------------------------------|--|
| рН                     | : No data available                  |  |
| Odor threshold         | : No data available                  |  |
| Odor                   | : No data available                  |  |
| Color                  | : No data available                  |  |
| Appearance             | : Low melting solid.                 |  |
| Physical state         | : Solid                              |  |
| 9.1. Information on ba | sic physical and chemical properties |  |
| SECTION 9: Physical    | and chemical properties              |  |

OFOTION A. DI

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Freezing point                              | : No data available    |  |

#### 9.2. **Other information**

No additional information available

| SECTION 10: Stability and reactivity  |
|---|
| 10.1. Reactivity  |
| No additional information available   |
| 10.2. Chemical stability  |
| The product is stable at normal handling and storage conditions.  |
| 10.3. Possibility of hazardous reactions  |
| No additional information available   |
| 10.4. Conditions to avoid   |
| Keep away from heat, sparks and flame.  |
| 10.5. Incompatible materials  |
| Acids. Acid chlorides. Acid anhydrides. Strong oxidizing agents.  |
| 10.6. Hazardous decomposition products  |
| Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5. |

| SECTION 11: Toxicological information      |                                  |  |
