

Safety Data Sheet 4237116 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 11/13/2017 Version: 1.0

SECTION 1: Identification			
1.1. Identification			
Product form	: Substance		
Substance name	: 4-Cyanobicyclo[2.2.2]octane-1-ca	rdoxylic acid	
CAS No	: 15941-09-0		
Product code	: 4237-1-16		
Formula	: C10H13NO2		
Other means of identification	: MFCD00967723		
1.2. Relevant identified uses of the subst	ance or mixture and uses advised	against	
Use of the substance/mixture	: Laboratory chemicals Manufacture of substances Scientific research and developm	ent	
1.3. Details of the supplier of the safety d	ata sheet		
SynQuest Laboratories, Inc. P.O. Box 309 Alachua, FL 32615 - United States of America T (386) 462-0788 - F (386) 462-7097 info@synquestlabs.com - www.synquestlabs.com			
1.4. Emergency telephone number			
Emergency number	: (844) 523-4086 (3E Company - A	ccount 10069)	
SECTION 2: Hazard(s) identification			
2.1. Classification of the substance or mi	xture		
Classification (GHS-US)	4		
Acute Tox. 4 (Oral)H302 - Harmful if swalloweSkin Irrit. 2H315 - Causes skin irritationEye Irrit. 2AH319 - Causes serious eyeSTOT SE 3H335 - May cause respiration	on e irritation		
Full text of H-phrases: see section 16			
2.2. Label elements			
GHS-US labeling			
Hazard pictograms (GHS-US)	: GHS07		
Signal word (GHS-US)	: Warning		
Hazard statements (GHS-US)	 H302 - Harmful if swallowed H315 - Causes skin irritation H319 - Causes serious eye irritati H335 - May cause respiratory irrit 		
Precautionary statements (GHS-US)	P261 - Avoid breathing dust, mist P264 - Wash skin thoroughly afte P270 - Do not eat, drink or smoke P271 - Use only outdoors or in a P280 - Wear protective gloves/pro P301+P312 - If swallowed: Call a P302+P352 - If on skin: Wash wit P304+P340 - If inhaled: Remove P305+P351+P338 - If in eyes: Rin lenses, if present and easy to do. P312 - Call a POISON CENTER of the second se	spray 'handling when using this product vell-ventilated area tective clothing/eye protection/face protection POISON CENTER or doctor/ physician if you in plenty of soap and water person to fresh air and keep comfortable for br ise cautiously with water for several minutes. If Continue rinsing or doctor/physician if you feel unwell pplemental first aid instructions on this label) rs: Get medical advice/attention	eathing

4-Cyanobicyclo[2.2.2]octane-1-carboxylic acid (Main constituent) (CAS No) 15941-09-0 <= 100	Dral), H302 115 319 335	
(Main constituient) Skin Irit. 2, H Full text of H-phrases: see section 16 STOT SE 3, H 3.2. Mixture Not applicable SECTION 4: First aid measures First-aid measures general : In case of accident or if you feel unwell, seek medical advice immediately (sl where possible). Move the affected personnel away from the contaminated a First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. If not breath respiration. Get immediate medical advice/attention. First-aid measures after eye contact : Wash with plenty of soap and water. Get immediate medical advice/attention. First-aid measures after inpestion : Do NOT induce vomiting. Never give anything by mouth to an unconscious present and easy to do. Continue rinsing. Get immediate medical advice/attention. 4.2. Most important symptoms and effects, both acute and delayed Symptoms/injuries : The most important known symptoms and effects are described in the labelli 2.2) and/or in section 11. 4.3. Indication of any immediate medical attention and special treatment needed Treat symptomatically. SECTION 5: Firefighting measures 51. Extinguishing media : Alcohol resistant foam. Carbon dioxide. Dry powder. Water spray. Use exting	now the label	
3.2. Mixture Not applicable SECTION 4: First aid measures 4.1. Description of first aid measures First-aid measures general : In case of accident or if you feel unwell, seek medical advice immediately (sl where possible). Move the affected personnel away from the contaminated at respiration. Get immediate medical advice/attention. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. If not breath respiration. Get immediate medical advice/attention. First-aid measures after skin contact : Wash with plenty of soap and water. Get immediate medical advice/attention First-aid measures after eye contact : Immediately flush eyes thoroughly with water for at least 15 minutes. Remov present and easy to do. Continue rinsing. Get immediate medical advice/attention. First-aid measures after ingestion : Do NOT induce vomiting. Never give anything by mouth to an unconscious prouth out with water. Get immediate medical advice/attention. 4.2. Most important symptoms and effects, both acute and delayed Symptoms/injuries : The most important known symptoms and effects are described in the labelli 2.2) and/or in section 11. 4.3. Indication of any immediate medical attention and special treatment needed Treat symptomatically. SECTION 5: Firefighting measures 5.1. Extinguishing media Suitable extinguishing media :		
Not applicable SECTION 4: First aid measures 4.1. Description of first aid measures First-aid measures general : In case of accident or if you feel unwell, seek medical advice immediately (sl where possible). Move the affected personnel away from the contaminated a single probability. Move the affected personnel away from the contaminated at respiration. Get immediate medical advice/attention. First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. If not breath respiration. Get immediate medical advice/attention. First-aid measures after eye contact : Wash with plenty of soap and water. Get immediate medical advice/attention. First-aid measures after ingestion : Do NOT induce vomiting. Never give anything by mouth to an unconscious prown to with water. Get immediate medical advice/attention. 4.2. Most important symptoms and effects, both acute and delayed Symptoms/injuries : The most important known symptoms and effects are described in the labellity 2.2) and/or in section 11. 4.3. Indication of any immediate medical attention and special treatment needed Treat symptomatically. Sectron 5: Firefighting measures 5.1. Extinguishing media : Alcohol resistant foam. Carbon dioxide. Dry powder. Water spray. Use exting		
SECTION 4: First aid measures 4.1. Description of first aid measures First-aid measures general : In case of accident or if you feel unwell, seek medical advice immediately (sl where possible). Move the affected personnel away from the contaminated a swhere possible). Move the affected personnel away from the contaminated a First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. If not breath respiration. Get immediate medical advice/attention. First-aid measures after eye contact : Wash with plenty of soap and water. Get immediate medical advice/attentior First-aid measures after ingestion : Do NOT induce vomiting. Never give anything by mouth to an unconscious p mouth out with water. Get immediate medical advice/attention. 4.2. Most important symptoms and effects, both acute and delayed Symptoms/injuries : The most important known symptoms and effects are described in the labelli 2.2) and/or in section 11. 4.3. Indication of any immediate medical attention and special treatment needed Treat symptomatically. SECTION 5: Firefighting measures 5.1. Extinguishing media Suitable extinguishing media : Alcohol resistant foam. Carbon dioxide. Dry powder. Water spray. Use extinguishing media		
4.1. Description of first aid measures First-aid measures general : In case of accident or if you feel unwell, seek medical advice immediately (sl where possible). Move the affected personnel away from the contaminated a First-aid measures after inhalation : Remove person to fresh air and keep comfortable for breathing. If not breath respiration. Get immediate medical advice/attention. First-aid measures after skin contact : Wash with plenty of soap and water. Get immediate medical advice/attentior First-aid measures after eye contact : Immediately flush eyes thoroughly with water for at least 15 minutes. Remove present and easy to do. Continue rinsing. Get immediate medical advice/attention. First-aid measures after ingestion : Do NOT induce vomiting. Never give anything by mouth to an unconscious prowuth out with water. Get immediate medical advice/attention. 4.2. Suitable extinguishing media : Alcohol resistant foam. Carbon dioxide. Dry powder. Water spray. Use exting		
appropriate for surrounding fire.	juishing media	
5.2. Special hazards arising from the substance or mixture		
Fire hazard : Thermal decomposition generates: Carbon oxides. Nitrogen oxides.		
5.3. Advice for firefighters		
Firefighting instructions : In case of fire: Evacuate area.		
Protection during firefighting : Wear gas tight chemically protective clothing in combination with self contair apparatus. For further information refer to section 8: "Exposure controls/pers		
SECTION 6: Accidental release measures		
6.1. Personal precautions, protective equipment and emergency procedures		
General measures : Evacuate unnecessary personnel. Ensure adequate air ventilation. Do not be	eathe dust.	
6.1.1. For non-emergency personnel Emergency procedures : Only qualified personnel equipped with suitable protective equipment may in	tervene.	
6.1.2. For emergency responders Protective equipment : Do not attempt to take action without suitable protective equipment. For furth		
refer to section 8: "Exposure controls/personal protection".	er information	

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.2. Environmental precautions	
Avoid release to the environment. Notify auth	norities if product enters sewers or public waters.
6.3. Methods and material for contain	nment and cleaning up
For containment	: Stop leak if safe to do so.
Methods for cleaning up	: Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.
Other information	: For disposal of solid materials or residues refer to section 13 : "Disposal considerations".
6.4. Reference to other sections	
No additional information available	
SECTION 7: Handling and storage	
7.1. Precautions for safe handling	
Precautions for safe handling	Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective equipment. Avoid contact with skin and eyes.
Hygiene measures	: Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
7.2. Conditions for safe storage, incl	uding any incompatibilities
Technical measures	: Comply with applicable regulations.
Storage conditions	: Keep container closed when not in use.
Incompatible materials	: Refer to Section 10 on Incompatible Materials.
Storage area	: Store in dry, cool, well-ventilated area.
SECTION 8: Exposure controls/pe	ersonal protection

8.1. **Control parameters**

No additional information available

8.2. Exposure controls	
Appropriate engineering controls	: Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure.
Hand protection	: Protective gloves. 29 CFR 1910.138: Hand Protection.
Eye protection	: Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.
Skin and body protection	: Wear suitable protective clothing.
Respiratory protection	: In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory Protection.
Other information	: Safety shoes. 29 CFR 1910.136: Foot Protection.

SECTION 9: Physical and chemical properties

9.1. Information on basic physical a	nd chemical properties	
Physical state	: Solid	
Color	: No data available	
Odor	: No data available	
Odor threshold	: No data available	
рН	: No data available	
Melting point	: No data available	
Freezing point	: No data available	
Boiling point	: No data available	
Flash point	: No data available	
Relative evaporation rate (butyl acetate=1)	: No data available	
Flammability (solid, gas)	: No data available	
Explosion limits	: No data available	
Explosive properties	: No data available	
Oxidizing properties	: No data available	
Vapor pressure	: No data available	
Relative density	: No data available	

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Relative vapor density at 20 °C	: No data available
Molecular mass	: 179.22 g/mol
Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available

9.2. Other information

No additional information available

SECT	ION 10:	Stability	v and	reactivity

10.1. Reactivity

No additional information available

10.2. Chemical stability

The product is stable at normal handling and storage conditions.

10.3. Possibility of hazardous reactions

No additional information available

10.4. Conditions to avoid

Keep away from heat, sparks and flame.

10.5. Incompatible materials

Strong acids. Strong bases. Strong oxidizing agents. Strong reducing agents.

10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

SECTION 11: Toxicological information 11.1. Information on toxicological effects

Acute toxicity	: Oral: Harmful if swallowed.
Skin corrosion/irritation	: Causes skin irritation.
Serious eye damage/irritation	: Causes serious eye irritation.
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: May cause respiratory irritation.
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified

SECTI	ON 12: Ecological information
12.1.	Toxicity
No additi	onal information available
12.2.	Persistence and degradability
No additi	onal information available
12.3.	Bioaccumulative potential
No additi	onal information available
12.4.	Mobility in soil
No additi	onal information available

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

12.5. Other adverse effects

No additional information available

SECTION 13: Disposal consider	ations
13.1. Waste treatment methods	
Waste treatment methods	: Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.
Waste disposal recommendations	: Dispose of contents/container in accordance with licensed collector's sorting instructions.
Additional information	: Recycle the material as far as possible.
SECTION 14: Transport information	tion

Department of Transportation (DOT)

In accordance with DOT

Not regulated for transport

TDG

No additional information available

Transport by sea

No additional information available

Air transport

No additional information available

SECTION 15: Regulatory information

15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic

Substances Control Act (13CA) inventory exception.		
4-Cyanobicyclo[2.2.2]octane-1-carboxylic acid	CAS No 15941-09-0	100%

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

15.2. International regulations

CANADA

No additional information available

EU-Regulations

No additional information available

National regulations

No additional information available

15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

SECTION 16: Other information

Full text of H-phrases:

Acute Tox. 4 (Oral)	Acute toxicity (oral) Category 4
Eye Irrit. 2A	Serious eye damage/eye irritation Category 2A
Skin Irrit. 2	Skin corrosion/irritation Category 2
STOT SE 3	Specific target organ toxicity (single exposure) Category 3
H302	Harmful if swallowed
H315	Causes skin irritation
H319	Causes serious eye irritation
H335	May cause respiratory irritation

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

NFPA health hazard	: 3 - Short exposure could cause serious temporary or residual injury even though prompt medical attention was given.
NFPA fire hazard	: 0 - Materials that will not burn.
NFPA reactivity	: 0 - Normally stable, even under fire exposure conditions, and are not reactive with water.
HMIS III Rating	
Health	: 3 Serious Hazard - Major injury likely unless prompt action is taken and medical treatment is given
Flammability	: 0 Minimal Hazard - Materials that will not burn
Physical	: 0 Minimal Hazard - Materials that are normally stable, even under fire conditions, and will NOT react with water, polymerize, decompose, condense, or self-react. Non-Explosives.
