Safety Data Sheet

| ccording to Federal Register / Vol. 77, No. 58 | / Monday, March 26, 2012 / Rules and Regulations   |
|--|--|
| Methods for cleaning up                        | : Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.   |
| Other information                              | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".   |
| 6.4. Reference to other sections               | S  |
| No additional information available            |  |
| <b>SECTION 7: Handling and sto</b>             | prage  |
| 7.1. Precautions for safe handli               | ng   |
| Precautions for safe handling                  | Do not handle until all safety precautions have been read and understood. Ensure good<br>ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective<br>equipment. Avoid contact with skin and eyes. |
| Hygiene measures                               | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or<br>smoke when using this product. Always wash hands after handling the product.  |
| 7.2. Conditions for safe storage               | e, including any incompatibilities   |
| Technical measures                             | : Comply with applicable regulations.  |
| Storage conditions                             | : Keep container closed when not in use. Keep away from ignition sources. Air sensitive. Keep contents under inert gas.  |
| Incompatible materials                         | : Refer to Section 10 on Incompatible Materials.   |
| Storage temperature                            | : 2 - 8 °C Use explosion proof refrigerator  |

| SECTION 8: Exposure controls/personal protection |  |
|--|--|

#### 8.1. **Control parameters**

Storage area

No additional information available

| 8.2. Exposure controls           |   |
|----------------------------------|---|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.  |
| Skin and body protection         | : Wear suitable protective clothing.  |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory<br>Protection.  |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.   |

: Store in dry, well-ventilated area.

### **SECTION 9: Physical and chemical properties** Information on basic physical and chemical properties

| 9.1. Information on basic physical          | and chemical properties |
|---|-------------------------|
| Physical state                              | : Solid                 |
| Color                                       | : No data available     |
| Odor  | : No data available     |
| Odor threshold                              | : No data available     |
| pH  | : No data available     |
| Melting point                               | : 237 - 240 °C          |
| Freezing point                              | : No data available     |
| Boiling point                               | : No data available     |
| Flash point                                 | : No data available     |
| Relative evaporation rate (butyl acetate=1) | : No data available     |
| Flammability (solid, gas)                   | : No data available     |
| Explosion limits                            | : No data available     |
| Explosive properties                        | : No data available     |
| Oxidizing properties                        | : No data available     |
| Vapor pressure                              | : No data available     |
| Relative density                            | : No data available     |
| Relative vapor density at 20 °C             | : No data available     |
| Molecular mass                              | : 201.17 g/mol          |
| Solubility                                  | : No data available     |
|   |                         |

| Viscosity                 | : No data available |  |
| Viscosity, kinematic      | : No data available |  |
| Viscosity, dynamic        | : No data available |  |

#### 9.2. Other information

#### No additional information available

 SECTION 10: Stability and reactivity

 10.1.
 Reactivity

 No additional information available

 10.2.
 Chemical stability

The product is stable at normal handling and storage conditions.

# 10.3. Possibility of hazardous reactions

No additional information available

10.4. Conditions to avoid

Keep away from heat, sparks and flame.

10.5. Incompatible materials

Strong oxidizing agents.

### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

| SECTION 11: Toxicological information              |   |
|--|---|
| 11.1. Information on toxicological effects         | i de la constante d |
|  |   |
| Acute toxicity                                     | : Not classified  |
| Skin corrosion/irritation                          | : Causes skin irritation.   |
| Serious eye damage/irritation                      | : Causes serious eye irritation.  |
| Respiratory or skin sensitization                  | : Not classified  |
| Germ cell mutagenicity                             | : Not classified  |
| Carcinogenicity                                    | : Not classified  |
| Reproductive toxicity                              | : Not classified  |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation.   |
| Specific target organ toxicity (repeated exposure) | : Not classified  |
| Aspiration hazard                                  | : Not classified  |
|  |   |

| 40.0 Develotion on and downed ability              |   |

#### 12.2. Persistence and degradability No additional information available

**12.3. Bioaccumulative potential** No additional information available

## 12.4. Mobility in soil

No additional information available

### 12.5. Other adverse effects

No additional information available

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| <b>SECTION 13: Disposal considerati</b> | ons   |
|---|---|
| 13.1. Waste treatment methods           |   |
| Waste treatment methods                 | : Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.   |
| Waste disposal recommendations          | : Dispose of contents/container in accordance with licensed collector's sorting instructions. |
| Additional information                  | : Recycle the material as far as possible.  |

# **SECTION 14: Transport information**

### **Department of Transportation (DOT)**

In accordance with DOT

Not regulated for transport

#### TDG

No additional information available

#### Transport by sea

No additional information available

#### Air transport

No additional information available

# SECTION 15: Regulatory information

## 15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

|  | 3,4-Difluoro-DL-phenylalanine | CAS No 32133-36-1 | 100% |
|--|-------------------------------|-------------------|------|
|--|-------------------------------|-------------------|------|

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

#### 15.2. International regulations

#### CANADA

No additional information available

EU-Regulations No additional information available

## National regulations

No additional information available

#### 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

### **SECTION 16: Other information**

#### Full text of H-phrases:

| Eye Irrit. 2A | Serious eye damage/eye irritation Category 2A               |
