

2'-Fluoro-2'-deoxyadenosine Safety Data Sheet 4H12322 according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 10/17/2018 Version: 1.0

SECTION 1: Identification	
1.1. Identification	
Product form	: Substance
Substance name	: 2'-Fluoro-2'-deoxyadenosine
CAS No	: 64183-27-3
Product code	: 4H12-3-22
Formula	: C10H12FN5O3
Synonyms	: 9-(2-Deoxy-2-fluoro-beta-D-ribofuranosyl)adenine; 2'-Deoxy-2'-fluoroadenosine; 2'-Deoxy-2'-
	fluoro-D-adenosine
Other means of identification	: MFCD09750859
1.2. Relevant identified uses of the subst	ance or mixture and uses advised against
Use of the substance/mixture	: Laboratory chemicals Manufacture of substances Scientific research and development
1.3. Details of the supplier of the safety d	lata sheet
SynQuest Laboratories, Inc. P.O. Box 309 Alachua, FL 32615 - United States of America	
T (386) 462-0788 - F (386) 462-7097 info@synquestlabs.com - www.synquestlabs.com	1
1.4. Emergency telephone number	
Emergency number	: (844) 523-4086 (3E Company - Account 10069)
SECTION 2: Hazard(s) identification	
2.1. Classification of the substance or mi	ixture
Classification (GHS-US)	
Acute Tox. 4 (Oral)H302 - Harmful if swalloweSkin Irrit. 2H315 - Causes skin irritationEye Irrit. 2AH319 - Causes serious eyeSTOT SE 3H335 - May cause respiration	on e irritation
Full text of H-phrases: see section 16	
2.2. Label elements	
GHS-US labeling	
Hazard pictograms (GHS-US)	
	GHS07
Signal word (GHS-US)	GHS07 : Warning
Signal word (GHS-US) Hazard statements (GHS-US)	
	<ul> <li>Warning</li> <li>H302 - Harmful if swallowed</li> <li>H315 - Causes skin irritation</li> <li>H319 - Causes serious eye irritation</li> </ul>

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Name         2'-Fluoro-2'-deoxyadenosine         (Main constituent)         Full text of H-phrases: see section 16         3.2.       Mixture         Not applicable         SECTION 4: First aid measures         4.1.       Description of first aid measures         First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after eye contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	Mono-constituent  Product identifier  (CAS No) 64183-27-3  In case of accident or if you feel un where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
2.4.       Unknown acute toxicity (GHS US)         Not applicable       SECTION 3: Composition/information of an acute toxicity (GHS US)         SECTION 3: Composition/information of an acute toxicity (GHS US)       Section acute toxicity (GHS US)         3.1.       Substance       Substance of acute toxicity (GHS US)         Substance type       :       Substance type       :         Name       2'-Fluoro-2'-deoxyadenosine (Main constituent)       Section acute toxicity acute to the phrases: see section 16         3.2.       Mixture       Mixture         Not applicable       SECTION 4: First aid measures         SECTION 4: First aid measures       Section acute to the acu	Mono-constituent  Product identifier  (CAS No) 64183-27-3  In case of accident or if you feel ur where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	well, seek medical advice personnel away from the advice/attention. r. Get immediate medicate with water for at least 15 insing. Get immediate medicate with water for at least 15	Acute Tox. 4 (Oral), H302 Skin Irrit. 2, H315 Eye Irrit. 2A, H319 STOT SE 3, H335 ce immediately (show the label ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if nedical advice/attention.
Not applicable         SECTION 3: Composition/information of 3.1.         Substance type         Substance type         2:-Fluoro-2'-deoxyadenosine (Main constituent)         Full text of H-phrases: see section 16         3.2.       Mixture         Not applicable         SECTION 4: First aid measures         First-aid measures general         First-aid measures after inhalation         First-aid measures after eye contact         First-aid measures after ingestion         4.2.       Most important symptoms and effects, Symptoms/injuries         Symptoms/injuries       :         4.3.       Indication of any immediate medical attract         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media	Mono-constituent  Product identifier  (CAS No) 64183-27-3  In case of accident or if you feel ur where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	well, seek medical advice personnel away from the advice/attention. r. Get immediate medicate with water for at least 15 insing. Get immediate medicate with water for at least 15	Acute Tox. 4 (Oral), H302 Skin Irrit. 2, H315 Eye Irrit. 2A, H319 STOT SE 3, H335 ce immediately (show the label ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if nedical advice/attention.
SECTION 3: Composition/information of 3.1.       Substance         Substance type       :         Name       2'-Fluoro-2'-deoxyadenosine (Main constituent)         Full text of H-phrases: see section 16         3.2.       Mixture         Not applicable         SECTION 4: First aid measures         First-aid measures general         First-aid measures after inhalation         First-aid measures after eye contact         First-aid measures after eye contact         First-aid measures after ingestion         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media	Mono-constituent  Product identifier  (CAS No) 64183-27-3  In case of accident or if you feel ur where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	well, seek medical advice personnel away from the advice/attention. r. Get immediate medicate with water for at least 15 insing. Get immediate medicate with water for at least 15	Acute Tox. 4 (Oral), H302 Skin Irrit. 2, H315 Eye Irrit. 2A, H319 STOT SE 3, H335 ce immediately (show the label ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if nedical advice/attention.
3.1.       Substance         Substance type       :         Name       :         2'-Fluoro-2'-deoxyadenosine       :         Wain constituent)       :         Full text of H-phrases: see section 16       :         3.2.       Mixture         Not applicable       :         SECTION 4: First aid measures         First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       :         SECTION 5: Firefighting measures       :         5.1.       Extinguishing media       :	Mono-constituent  Product identifier  (CAS No) 64183-27-3  In case of accident or if you feel ur where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	well, seek medical advice personnel away from the advice/attention. r. Get immediate medicate with water for at least 15 insing. Get immediate medicate with water for at least 15	Acute Tox. 4 (Oral), H302 Skin Irrit. 2, H315 Eye Irrit. 2A, H319 STOT SE 3, H335 ce immediately (show the label ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if nedical advice/attention.
3.2. Mixture         Not applicable         SECTION 4: First aid measures         4.1. Description of first aid measures         First-aid measures general         First-aid measures after inhalation         First-aid measures after skin contact         First-aid measures after eye contact         First-aid measures after eye contact         First-aid measures after ingestion         4.2. Most important symptoms and effects,         Symptoms/injuries         4.3. Indication of any immediate medical att         Treat symptomatically.         SECTION 5: Firefighting measures         5.1. Extinguishing media         Suitable extinguishing media	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
Not applicable         SECTION 4: First aid measures         4.1.       Description of first aid measures         First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
SECTION 4: First aid measures         4.1.       Description of first aid measures         First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
4.1.       Description of first aid measures         First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after skin contact       :         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
First-aid measures general       :         First-aid measures after inhalation       :         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical attemption         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
First-aid measures after inhalation       :         First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	where possible). Move the affected Remove person to fresh air and ke respiration. Get immediate medica Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	personnel away from th ep comfortable for breat advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	ne contaminated area. thing. If not breathing, give artificial al advice/attention. 5 minutes. Remove contact lenses, if redical advice/attention.
First-aid measures after skin contact       :         First-aid measures after eye contact       :         First-aid measures after ingestion       :         4.2.       Most important symptoms and effects,         Symptoms/injuries       :         4.3.       Indication of any immediate medical att         Treat symptomatically.       SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	respiration. Get immediate medical Wash with plenty of soap and wate Immediately flush eyes thoroughly present and easy to do. Continue r Do NOT induce vomiting. Never giv	advice/attention. r. Get immediate medica with water for at least 15 insing. Get immediate m ve anything by mouth to	al advice/attention. 5 minutes. Remove contact lenses, if nedical advice/attention.

Treat symptomatically.         SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media       :	The most important known sympto 2.2) and/or in section 11.	ns and effects are descr	ribed in the labelling (see section
SECTION 5: Firefighting measures         5.1.       Extinguishing media         Suitable extinguishing media	ention and special treatment nee	ded	
5.1.         Extinguishing media           Suitable extinguishing media         :			
5.1.         Extinguishing media           Suitable extinguishing media         :			
Suitable extinguishing media :			
	Alcohol resistant foam. Carbon dio appropriate for surrounding fire.	kide. Dry powder. Water	r spray. Use extinguishing media
5.2. Special hazards arising from the substa	nce or mixture		
Fire hazard :	Thermal decomposition generates:	Carbon oxides. Hydroge	en fluoride. Nitrogen oxides.
5.3. Advice for firefighters			
	In case of fire: Evacuate area.		
	Wear gas tight chemically protective apparatus. For further information		
SECTION 6: Accidental release measur	es		
6.1. Personal precautions, protective equip	nent and emergency procedures		
General measures :	Evacuate unnecessary personnel.	Ensure adequate air ven	ntilation. Do not breathe dust.
6.1.1. For non-emergency personnel Emergency procedures :			

Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

6.1.2. For emergency responder	rs
Protective equipment	: Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection".
6.2. Environmental precaution	IS
Avoid release to the environment. Not	tify authorities if product enters sewers or public waters.
6.3. Methods and material for	containment and cleaning up
For containment	: Stop leak if safe to do so.
Methods for cleaning up	: Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.
Other information	: For disposal of solid materials or residues refer to section 13 : "Disposal considerations".
6.4. Reference to other section	ns
No additional information available	
SECTION 7: Handling and st	torage
7.1. Precautions for safe hand	lling
Precautions for safe handling	Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective equipment. Avoid contact with skin and eyes.
Hygiene measures	: Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or smoke when using this product. Always wash hands after handling the product.
7.2. Conditions for safe storage	ge, including any incompatibilities
Technical measures	: Comply with applicable regulations.
Storage conditions	: Keep container closed when not in use. Keep away from ignition sources. Air sensitive. Keep contents under inert gas.
Incompatible materials	: Refer to Section 10 on Incompatible Materials.
Incompatible materials Storage temperature	<ul> <li>Refer to Section 10 on Incompatible Materials.</li> <li>2 - 8 °C Use explosion proof refrigerator</li> </ul>

# SECTION 8: Exposure controls/personal protection

# 8.1. Control parameters

No additional information available

8.2. Exposure controls	
Appropriate engineering controls	: Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure.
Hand protection	: Protective gloves. 29 CFR 1910.138: Hand Protection.
Eye protection	: Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.
Skin and body protection	: Wear suitable protective clothing.
Respiratory protection	: In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory Protection.
Other information	: Safety shoes. 29 CFR 1910.136: Foot Protection.

# **SECTION 9: Physical and chemical properties**

9.1. Information on basic physical	and chemical properties
Physical state	: Solid
Color	: No data available
Odor	: No data available
Odor threshold	: No data available
рН	: No data available
Melting point	: 218 °C (dec.)
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butyl acetate=1	: No data available
Flammability (solid, gas)	: No data available
Explosion limits	: No data available

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Explosive properties	: No data available
Oxidizing properties	: No data available
Vapor pressure	: No data available
Relative density	: No data available
Relative vapor density at 20 °C	: No data available
Molecular mass	: 269.2324 g/mol
Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available

# 9.2. Other information

No additional information available

SECT	ION 10: Stability and reactivity	
10.1.	Reactivity	

No additional information available

# 10.2. Chemical stability

The product is stable at normal handling and storage conditions.

# 10.3. Possibility of hazardous reactions

No additional information available

# 10.4. Conditions to avoid

Keep away from heat, sparks and flame.

# 10.5. Incompatible materials

Strong oxidizing agents.

**10.6.** Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

# SECTION 11: Toxicological information 11.1. Information on toxicological effects Acute toxicity : Oral: Harmful if swallowed. Skip correction/invitation : Coupon okin invitation

Skin corrosion/irritation	: Causes skin irritation.
Serious eye damage/irritation	: Causes serious eye irritation.
Respiratory or skin sensitization	: Not classified
Germ cell mutagenicity	: Not classified
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: May cause respiratory irritation.
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified

<b>SECTION 12</b>	Ecological information
12.1. Toxici	ty
No additional info	ormation available
12.2. Persis	tence and degradability
No additional info	ormation available

	Other adverse effects		

# SECTION 13: Disposal considerations

### Waste treatment methods 13.1.

# Waste treatment methods

Waste disposal recommendations Additional information

: Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.

- : Dispose of contents/container in accordance with licensed collector's sorting instructions.
  - : Recycle the material as far as possible.

# **Department of Transportation (DOT)**

**SECTION 14: Transport information** 

In accordance with DOT

Not regulated for transport

# TDG

No additional information available

# Transport by sea

No additional information available

# Air transport

No additional information available

# SECTION 15: Regulatory information

## 15.1. US Federal regulations

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory except for:

2'-Fluoro-2'-deoxyadenosine CAS No 64183-27-3 100%		
--	--	--

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

# 15.2. International regulations

CANADA

No additional information available

### **EU-Regulations** No additional information available

**National regulations** 

No additional information available

# 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

# **SECTION 16: Other information**

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

Full tex	t of H-phrases:			
	Acute Tox. 4 (Oral)	Acute toxicity (oral) Category 4		
	Eye Irrit. 2A	Serious eye damage/eye irritation Category 2A		
	Skin Irrit. 2	Skin corrosion/irritation Category 2		
	STOT SE 3	Specific target organ toxicity (single exposure) Category 3		
	H302	Harmful if swallowed		
	H315	Causes skin irritation		
	H319	Causes serious eye irritation		
	H335	May cause respiratory irritation		
residual injury even though prom         given.         NFPA fire hazard       : 0 - Materials that will not burn.		<ul> <li>0 - Materials that will not burn.</li> <li>0 - Normally stable, even under fire exposure conditions,</li> </ul>		
	II Rating			
Health		: 2 Moderate Hazard - Temporary or minor injury may occur		
Flamm	ability	: 0 Minimal Hazard - Materials that will not burn		
Physical		: 0 Minimal Hazard - Materials that are normally stable, even under fire conditions, and will NOT react with water, polymerize, decompose, condense, or self-react. Non-Explosives.
