

### Safety Data Sheet 4H55300

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations Date of issue: 01/06/2015 Version: 1.0

| SECTION 1: Identification  |  |
|--|--|
| 1.1. Identification  |  |
| Product form   | : Substance  |
| Substance name   | : 3-Methyl-1-(4-nitrophenyl)-4-[3-(trifluoromethyl)phenyl]-1H-pyrazol-5-amine  |
| CAS No   | : 852690-94-9  |
| Product code   | : 4H55-3-00  |
| Formula  | : C17H13F3N4O2   |
| Other means of identification  | : MFCD03791150   |
| 1.2. Relevant identified uses of the subst   | ance or mixture and uses advised against   |
| Use of the substance/mixture   | : Laboratory chemicals<br>Manufacture of substances<br>Scientific research and development   |
| 1.3. Details of the supplier of the safety d   | lata sheet   |
| SynQuest Laboratories, Inc.<br>P.O. Box 309<br>Alachua, FL 32615 - United States of America<br>T (386) 462-0788 - F (386) 462-7097<br>info@synquestlabs.com - www.synquestlabs.com | 1  |
| 1.4. Emergency telephone number  |  |
| Emergency number   | : (844) 523-4086 (3E Company - Account 10069)  |
| SECTION 2: Hazard(s) identification  |  |
| 2.1. Classification of the substance or mi   | ixture   |
| Classification (GHS-US)  |  |
| Eye Irrit. 2A H319 - Causes serious eye irritati<br>STOT SE 3 H335 - May cause respiratory irrit<br>Full text of H-phrases: see section 16   |  |
| 2.2. Label elements  |  |
| GHS-US labeling<br>Hazard pictograms (GHS-US)  | :<br>GHS07   |
| Signal word (GHS-US)   | : Warning  |
| Hazard statements (GHS-US)   | : H315 - Causes skin irritation<br>H319 - Causes serious eye irritation<br>H335 - May cause respiratory irritation   |
| Precautionary statements (GHS-US)  | <ul> <li>P261 - Avoid breathing dust, mist, spray</li> <li>P264 - Wash skin thoroughly after handling</li> <li>P271 - Use only outdoors or in a well-ventilated area</li> <li>P280 - Wear protective gloves/protective clothing/eye protection/face protection</li> <li>P302+P352 - If on skin: Wash with plenty of soap and water</li> <li>P304+P340 - If inhaled: Remove person to fresh air and keep comfortable for breathing</li> <li>P305+P351+P338 - If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing</li> <li>P312 - Call a POISON CENTER or doctor/physician if you feel unwell</li> <li>P321 - Specific treatment (see supplemental first aid instructions on this label)</li> <li>P332+P313 - If skin irritation occurs: Get medical advice/attention</li> <li>P362+P364 - Take off contaminated clothing and wash it before reuse</li> <li>P403+P233 - Store in a well-ventilated place. Keep container tightly closed</li> <li>P405 - Store locked up</li> </ul> |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

### P501 - Dispose of contents/container to an approved waste disposal plant

|   | FJUI  | - Dispose of contents/contair                                   |                            |  |
|---|---|---|----------------------------|--|
| 2.3. Other hazards  |   |   |                            |  |
| No additional information available   |   |   |                            |  |
| 2.4. Unknown acute toxic  | city (GHS US)   |   |                            |  |
| Not applicable  |   |   |                            |  |
| SECTION 3: Compositio   | n/information on in   | gredients   |                            |  |
| B.1. Substance  |   |   |                            |  |
| Substance type  | : Mono  | -constituent  |                            |  |
| Name  |   | Product identifier  | %                          | Classification (GHS-US)  |

| full text of H-phrases: see section   | on 16   |   |                            |  |
| B.2. Mixture  |   |   |                            |  |
| Not applicable  |   |   |                            |  |
| SECTION 4: First aid me   | asures  |   |                            |  |
| 1.1. Description of first a   | id measures   |   |                            |  |
| First-aid measures general  | where   | e possible). Move the affected                                  | I personnel away from the  |  |
| First-aid measures after inhalation   | respir  | ation. Get medical advice/atte                                  | ention.                    | ing. If not breathing, give artificial                           |
| First-aid measures after skin cor   |   | with plenty of soap and wate                                    |                            |  |
| irst-aid measures after eye con   | res after eye contact : Immediately flush eyes thoroughly with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice/attention. |   |                            |  |
| irst-aid measures after ingestio  |   | DT induce vomiting. Never given out with water. Get medical     |                            | an unconscious person. Rinse                                     |
|   | otoms and effects, both a   |   |                            |  |
| Symptoms/injuries   |   | nost important known sympto<br>nd/or in section 11.             | ms and effects are descri  | bed in the labelling (see section                                |
| I.3. Indication of any imm  | nediate medical attention   | n and special treatment nee                                     | ded                        |  |
| Freat symptomatically.  |   |   |                            |  |
| SECTION 5: Firefighting   | measures  |   |                            |  |
| 5.1. Extinguishing media  | L   |   |                            |  |
| Suitable extinguishing media  |   | ol resistant foam. Carbon dio<br>priate for surrounding fire.   | xide. Dry powder. Water    | spray. Use extinguishing media                                   |
| .2. Special hazards arisi   | ing from the substance o  | or mixture  |                            |  |
| ire hazard  | •   | nal decomposition generates:                                    | Carbon oxides. Hydroge     | n fluoride. Nitrogen oxides.                                     |
| .3. Advice for firefighter  |   | -   |                            |  |
| Firefighting instructions   |   | e of fire: Evacuate area.                                       |                            |  |
| Protection during firefighting  |   |   |                            | with self contained breathing ure controls/personal protection". |
| SECTION 6: Accidental   |   |   |                            |  |
|   |   | and emergency procedures  |                            |  |
| General measures  | : Evacu   | ate unnecessary personnel.                                      | Ensure adequate air vent   | tilation. Do not breathe dust.                                   |
| 5.1.1. For non-emergency  | personnel   |   |                            |  |
| Emergency procedures  | : Only o  | qualified personnel equipped                                    | with suitable protective e | quipment may intervene.  |
| 5.1.2. For emergency respo  | onders  |   |                            |  |
| Protective equipment  | : Do no   | t attempt to take action witho<br>o section 8: "Exposure contro |                            | ipment. For further information                                  |
|   |   | •   |                            |  |

### Safetv Data Sheet

| cording to Federal Register / Vol. 77, No. 58 / M  | londay, March 26, 2012 / Rules and Regulations   |  |
|--|--|--|
| 6.2. Environmental precautions   |  |  |
| Avoid release to the environment. Notify au  | uthorities if product enters sewers or public waters.  |  |
| 6.3. Methods and material for conta  | ainment and cleaning up  |  |
| For containment  | : Stop leak if safe to do so.  |  |
| Methods for cleaning up  | : Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust.   |  |
| Other information  | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations".   |  |
| 6.4. Reference to other sections   |  |  |
| No additional information available  |  |  |
| SECTION 7: Handling and storage  | ge   |  |
| 7.1. Precautions for safe handling   |  |  |
| Precautions for safe handling  | Do not handle until all safety precautions have been read and understood. Ensure good ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective equipment. Avoid contact with skin and eyes.   |  |
| Hygiene measures   | : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or<br>smoke when using this product. Always wash hands after handling the product.  |  |
| 7.2. Conditions for safe storage, in   | ncluding any incompatibilities   |  |
| Technical measures   | : Comply with applicable regulations.  |  |
| Storage conditions : Keep container closed when not in use.  |  |  |
| otorage conditions   | · · · · · · · · · · · · · · · · · · ·  |  |

### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Relative density                | : No data available |  |
|---------------------------------|---------------------|--|
| Relative vapor density at 20 °C | : No data available |  |
| Molecular mass                  | : 362.31 g/mol      |  |
| Solubility                      | : No data available |  |
| Log Pow                         | : No data available |  |
| Auto-ignition temperature       | : No data available |  |
| Decomposition temperature       | : No data available |  |
| Viscosity                       | : No data available |  |
| Viscosity, kinematic            | : No data available |  |
| Viscosity, dynamic              | : No data available |  |
|                                 |                     |  |

#### 9.2. Other information

No additional information available

| SECTION 10: Stability and reactivity |   |  |  |
|--------------------------------------|---|--|--|
| 10.1.                                | Reactivity  |  |  |
| No add                               | tional information available                              |  |  |
| 10.2.                                | Chemical stability  |  |  |
| The pro                              | duct is stable at normal handling and storage conditions. |  |  |
| 10.3.                                | Possibility of hazardous reactions                        |  |  |
| No addi                              | tional information available                              |  |  |
| 10.4.                                | Conditions to avoid                                       |  |  |
|                                      |   |  |  |

Keep away from heat, sparks and flame.

#### 10.5. Incompatible materials

Strong acids. Strong bases. Strong oxidizing agents.

#### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

# SECTION 11: Toxicological information 11.1. Information on toxicological effects

| Acute toxicity                                     | : Not classified                    |
|--|-------------------------------------|
| Skin corrosion/irritation                          | : Causes skin irritation.           |
| Serious eye damage/irritation                      | : Causes serious eye irritation.    |
| Respiratory or skin sensitization                  | : Not classified                    |
| Germ cell mutagenicity                             | : Not classified                    |
| Carcinogenicity                                    | : Not classified                    |
| Reproductive toxicity                              | : Not classified                    |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation. |
| Specific target organ toxicity (repeated exposure) | : Not classified                    |
| Aspiration hazard                                  | : Not classified                    |

| SECTIO     | DN 12: Ecological information |
|------------|-------------------------------|
| 12.1.      | Toxicity                      |
| No additio | onal information available    |
| 12.2.      | Persistence and degradability |
| No additio | onal information available    |
| 12.3.      | Bioaccumulative potential     |
| No additio | onal information available    |
