| 3.2. Mixture                             |  |   |  |  |
| Not applicable                           |  |   |  |  |
| SECTION 4: First aid measures            |  |   |  |  |
| 4.1. Description of first aid measures   |  |   |  |  |
| First-aid measures general               |  | se of accident or if you feel unwell, seek<br>e possible). Move the affected personnel  |  |  |
| First-aid measures after inhalation      | : Remo   | ove person to fresh air and keep comfort<br>ation. Get immediate medical advice/att   | able for breathir  |  |
| First-aid measures after skin contact    | : Wash   | with plenty of soap and water. Get imm  | ediate medical a   | advice/attention.  |
| First-aid measures after eye contact     |  | diately flush eyes thoroughly with water<br>ent and easy to do. Continue rinsing. Get   |  |  |
| First-aid measures after ingestion       |  | OT induce vomiting. Never give anything<br>h out with water. Get immediate medical  |  |  |
| 4.2. Most important symptoms and effe    | cts, both  | acute and delayed   |  |  |
| Symptoms/injuries                        |  | nost important known symptoms and effe<br>and/or in section 11.   | ects are describ   | ed in the labelling (see section   |
| 4.3. Indication of any immediate medica  | l attentio   | n and special treatment needed  |  |  |
| Treat symptomatically.                   |  |   |  |  |
| SECTION 5: Firefighting measures         |  |   |  |  |
| 5.1. Extinguishing media                 |  |   |  |  |
| Suitable extinguishing media             |  | ol resistant foam. Carbon dioxide. Dry popriate for surrounding fire.   | owder. Water sp  | oray. Use extinguishing media  |
| 5.2. Special hazards arising from the su | bstance  | or mixture  |  |  |
| Fire hazard                              | : Therr  | nal decomposition generates: Carbon ox  | ides. Nitrogen o   | oxides. Sulfur oxides.   |
| 5.3. Advice for firefighters             |  |   |  |  |
| Finafiablia a instructions               | : In cas   | se of fire: Evacuate area.  |  |  |
| Firefighting instructions                |  |   | n combination v  | vith self contained breathing  |
| Protection during firefighting           |  | gas tight chemically protective clothing<br>ratus. For further information refer to sec   |  |  |
|  | appa   |   |  |  |
| Protection during firefighting           | appa<br><mark>sures</mark>                           | atus. For further information refer to sec  |  |  |

Safety Data Sheet according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 6.1.1. For non-emergency personnel<br>Emergency procedures                                      | : Only qualified personnel equipped with suitable protective equipment may intervene.   |  |
|---|---|--|
| 6.1.2. For emergency responders Protective equipment  | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |  |
| 6.2. Environmental precautions  |   |  |
| Avoid release to the environment. Notify authorities if product enters sewers or public waters. |   |  |

| 6.3.    | Methods and material for containment and cleaning up |  |
|---------|--|--|
| For cor | ntainment  | : Stop leak if safe to do so.  |
| Method  | ls for cleaning up                                   | : Sweep or shovel spills into appropriate container for disposal. Minimize generation of dust. |
| Other i | nformation   | : For disposal of solid materials or residues refer to section 13 : "Disposal considerations". |
| 6.4.    | Reference to other sections                          |  |

No additional information available

| SECTION 7: Handling and storage  |  |  |  |
|--|--|--|--|
| andling  |  |  |  |
| Do not handle until all safety precautions have been read and understood. Ensure good<br>ventilation of the work station. Do not breathe dust, mist, spray. Wear personal protective<br>equipment. Avoid contact with skin and eyes. |  |  |  |
| : Handle in accordance with good industrial hygiene and safety procedures. Do not eat, drink or<br>smoke when using this product. Always wash hands after handling the product.  |  |  |  |
| orage, including any incompatibilities   |  |  |  |
| : Comply with applicable regulations.  |  |  |  |
| : Keep container closed when not in use.   |  |  |  |
| : Refer to Section 10 on Incompatible Materials.   |  |  |  |
| : Store in dry, cool, well-ventilated area.  |  |  |  |
|  |  |  |  |

### **SECTION 8: Exposure controls/personal protection**

8.1. **Control parameters** 

No additional information available

| 8.2. Exposure controls           |   |
|----------------------------------|---|
| Appropriate engineering controls | : Ensure good ventilation of the work station. Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. |
| Hand protection                  | : Protective gloves. 29 CFR 1910.138: Hand Protection.  |
| Eye protection                   | : Chemical goggles or safety glasses. Face shield. 29 CFR 1910.133: Eye and Face Protection.  |
| Skin and body protection         | : Wear suitable protective clothing.  |
| Respiratory protection           | : In case of inadequate ventilation wear respiratory protection. 29 CFR 1910.134: Respiratory Protection.   |
| Other information                | : Safety shoes. 29 CFR 1910.136: Foot Protection.   |
|                                  |   |

# **SECTION 9: Physical and chemical properties**

| 9.1. Information on basic physical and      | I chemical properties |
|---|-----------------------|
| Physical state                              | : Solid               |
| Color                                       | : No data available   |
| Odor  | : No data available   |
| Odor threshold                              | : No data available   |
| pH  | : No data available   |
| Melting point                               | : 57 - 60 °C          |
| Freezing point                              | : No data available   |
| Boiling point                               | : No data available   |
| Flash point                                 | : No data available   |
| Relative evaporation rate (butyl acetate=1) | : No data available   |
| Flammability (solid, gas)                   | : No data available   |
|   |                       |

## Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| Explosion limits                | : No data available |
|---------------------------------|---------------------|
| Explosive properties            | : No data available |
| Oxidizing properties            | : No data available |
| Vapor pressure                  | : No data available |
| Relative density                | : No data available |
| Relative vapor density at 20 °C | : No data available |
| Molecular mass                  | : 109.147 g/mol     |
| Solubility                      | : No data available |
| Log Pow                         | : No data available |
| Auto-ignition temperature       | : No data available |
| Decomposition temperature       | : No data available |
| Viscosity                       | : No data available |
| Viscosity, kinematic            | : No data available |
| Viscosity, dynamic              | : No data available |
|                                 |                     |

#### 9.2. Other information

No additional information available

# SECTION 10: Stability and reactivity

#### 10.1. Reactivity

No additional information available

#### 10.2. Chemical stability

The product is stable at normal handling and storage conditions.

#### 10.3. Possibility of hazardous reactions

No additional information available

### 10.4. Conditions to avoid

Keep away from heat, sparks and flame.

#### 10.5. Incompatible materials

Strong acids. Strong oxidizing agents.

#### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

#### **SECTION 11: Toxicological information**

#### 11.1. Information on toxicological effects

#### Acute toxicity

: Oral: Harmful if swallowed.

| Ethanesulfonamide (1520-70-3)                      |  |  |
|--|--|--|
| ATE US (oral)                                      | 500.000 mg/kg body weight              |  |
| Skin corrosion/irritation                          | : Causes skin irritation.              |  |
| Serious eye damage/irritation                      | : Causes serious eye irritation.       |  |
| Respiratory or skin sensitization                  | : May cause an allergic skin reaction. |  |
| Germ cell mutagenicity                             | : Not classified                       |  |
| Carcinogenicity                                    | : Not classified                       |  |
| Reproductive toxicity                              | : Not classified                       |  |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation.    |  |
| Specific target organ toxicity (repeated exposure) | : Not classified                       |  |
| Aspiration hazard                                  | : Not classified                       |  |

| SECTION 12: Ecological information  |          |  |  |
|-------------------------------------|----------|--|--|
| 12.1.                               | Toxicity |  |  |

| SECTION 13: Disposal considerations      |   |  |  |
|--|---|--|--|
| 13.1. Waste treatment methods            |   |  |  |
| Waste treatment methods                  | : Remove to an authorized incinerator equipped with an afterburner and a flue gas scrubber.   |  |  |
| Waste disposal recommendations           | : Dispose of contents/container in accordance with licensed collector's sorting instructions. |  |  |
| Additional information                   | : Recycle the material as far as possible.  |  |  |
| <b>SECTION 14: Transport information</b> |   |  |  |

#### **Department of Transportation (DOT)**

In accordance with DOT Not regulated for transport

TDG

No additional information available

#### Transport by sea

No additional information available

#### Air transport

No additional information available

| SECTION 15: Regulatory information                                  |         |
|---|---------|
| 15.1. US Federal regulations  |         |
| Ethanesulfonamide (1520-70-3)                                       |         |
| Listed on the United States TSCA (Toxic Substances Control Act) inv | rentory |

All components of this product are listed, or excluded from listing, on the United States Environmental Protection Agency Toxic Substances Control Act (TSCA) inventory

This product or mixture does not contain a toxic chemical or chemicals in excess of the applicable de minimis concentration as specified in 40 CFR §372.38(a) subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

#### 15.2. International regulations

### CANADA

# Ethanesulfonamide (1520-70-3)

Listed on the Canadian NDSL (Non-Domestic Substances List)

### **EU-Regulations**

No additional information available

### National regulations

### Ethanesulfonamide (1520-70-3)

Listed on the TCSI (Taiwan Chemical Substance Inventory)

### 15.3. US State regulations

California Proposition 65 - This product does not contain any substances known to the state of California to cause cancer and/or reproductive harm

# Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

#### **SECTION 16: Other information**

#### Full text of H-phrases:

| Acute Tox. 4 (Oral) | Acute toxicity (oral) Category 4                            |
|---------------------|---|
| Eye Irrit. 2A       | Serious eye damage/eye irritation Category 2A               |
| Skin Irrit. 2       | Skin corrosion/irritation Category 2                        |
| Skin Sens. 1        | Skin sensitization Category 1                               |
| STOT SE 3           | Specific target organ toxicity (single exposure) Category 3 |
| H302                | Harmful if swallowed  |
