### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

| 5                               |                     |  |
|---------------------------------|---------------------|--|
| Relative density                | : No data available |  |
| Relative vapor density at 20 °C | : No data available |  |
| Molecular mass                  | : 249.29 g/mol      |  |
| Solubility                      | : No data available |  |
| Log Pow                         | : No data available |  |
| Auto-ignition temperature       | : No data available |  |
| Decomposition temperature       | : No data available |  |
| Viscosity                       | : No data available |  |
| Viscosity, kinematic            | : No data available |  |
| Viscosity, dynamic              | : No data available |  |
|                                 |                     |  |

#### 9.2. Other information

No additional information available

| SECT    | ION 10: Stability and reactivity                          |
|---------|-----------------------------------------------------------|
| 10.1.   | Reactivity                                                |
| No add  | itional information available                             |
| 10.2.   | Chemical stability                                        |
| The pro | duct is stable at normal handling and storage conditions. |
| 10.3.   | Possibility of hazardous reactions                        |
| No add  | itional information available                             |
| 10.4.   | Conditions to avoid                                       |
| Keep a  | way from heat, sparks and flame.                          |
| 10.5.   | Incompatible materials                                    |

Strong oxidizing agents.

#### 10.6. Hazardous decomposition products

Under normal conditions of storage and use, hazardous decomposition products should not be produced. Hazardous decomposition products in case of fire, see Section 5.

| SECTION 11: Toxicological information      |                  |  |  |
|--------------------------------------------|------------------|--|--|
| 11.1. Information on toxicological effects |                  |  |  |
| Acute toxicity                             | : Not classified |  |  |

| Skin corrosion/irritation                          | : Causes skin irritation.           |
|----------------------------------------------------|-------------------------------------|
| Serious eye damage/irritation                      | : Causes serious eye irritation.    |
| Respiratory or skin sensitization                  | : Not classified                    |
| Germ cell mutagenicity                             | : Not classified                    |
| Carcinogenicity                                    | : Not classified                    |
| Reproductive toxicity                              | : Not classified                    |
| Specific target organ toxicity (single exposure)   | : May cause respiratory irritation. |
| Specific target organ toxicity (repeated exposure) | : Not classified                    |
| Aspiration hazard                                  | : Not classified                    |

| SECTIO    | DN 12: Ecological information |
|-----------|-------------------------------|
| 12.1.     | Toxicity                      |
| No additi | onal information available    |
| 12.2.     | Persistence and degradability |
| No additi | onal information available    |
| 12.3.     | Bioaccumulative potential     |
| No additi | onal information available    |

#### Safety Data Sheet

according to Federal Register / Vol. 77, No. 58 / Monday, March 26, 2012 / Rules and Regulations

#### 12.4. Mobility in soil

#### No additional information available

#### 12.5. Other adverse effects

No additional information available

| SECTION 13: Disposal consider                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | tions                               |                              |                                          |
